

## Year 4 Home learning task beginning Summer 2025/2026

These are your tasks for the whole term. You must complete Maths and English activities from Google Classroom weekly and bring them to school on Monday.  
Remember – there are activities on Reading Buddy, Purple Mash and Times Table Rockstars

### Science:

This term we will be learning about:  
Living things and their habitats

Could you write about the different animal groups and the different features each group has?  
Tell your family members about different habitats and what is endangering them.  
Produce a poster about how to keep the habitats safe.

### Geography:

This term we are going to continue to learn about the environment.

Research different renewable energy sources like solar, wind, and hydro power.  
Create posters or presentations about energy conservation

### Art and Design Technology

#### **Art**

In Art this term we will explore how to make sculptures.  
Could you use the skills you will learn to design and make your own sculpture?

<https://www.youtube.com/watch?v=9Qnse7uHyb4>

#### **Design Technology**

In DT this term we are going to learn about making wind turbines.

Build your own wind turbine:

<https://youtu.be/vmM5kO2PjCo?feature=shared>

### History:

This term we are going to continue to learning about:  
British Monarchs

We will learn about some significant monarchs.  
Research information about some monarchs who interest you.

Learn the Henry VIII song:

### PSHEC:

This term we will focus on physical and mental health and wellbeing. We will learn what constitutes a healthy lifestyle and the importance of balancing time online with other activities.

Could you make a diary of your lifestyle:

What do you eat every day?

How much exercise do you do every day?

What do you do to look after your mental health?

### RE:

This term we are going to learn about:

Places of worship

Could you visit a place of worship and send me a photo?

Make a place of worship using recyclable materials.
