

Year 1 Homework Grid – Summer Term

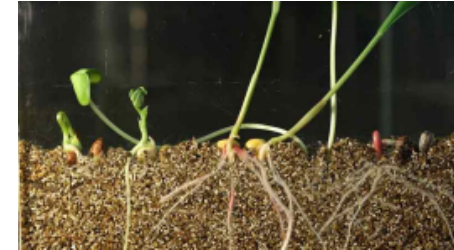

Create a collage or a painting of a Season of your choice- Spring, Summer, Autumn, Winter.

Create a paper mache globe and paint all the continents and oceans in the correct place.

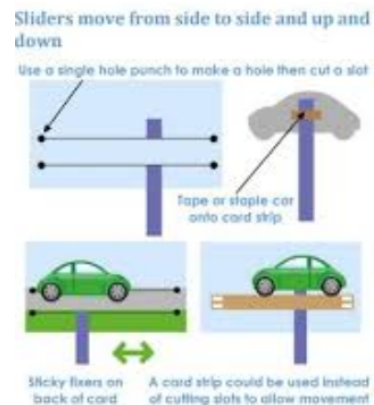

Plant some seeds and watch them grow.

Go on a Summer walk and describe what you can see. Take pictures to share with your friends. What can you see? What changes have happened?

Using our skills from DT make a slider for a car to travel down a road.

Draw and write about your favourite story. This can be a story read at home or in school.
