

Autumn Term Homework Grid Year 2

Please try and complete as many activities with the adults at home and bring in your finished projects to show everyone at school

Can you make a globe?
Paint and label the oceans and continents.

Think about all the human and physical features we saw in our local area. Can you use junk material (Cereal boxes, kitchen roll tubes etc) to make a local area?

Think about all the different places in our school and where they are. Use different objects from your house to create a map of our school.

Think about the shoe investigation we did in Science. Can you invent a sensational super shoe using the link below to help?
<https://www.littleinventors.org/maker-challenges/invent-a-sensational-super-shoe>

Invent something spectacular using the link below.
<https://www.littleinventors.org/maker-challenges/invent-something-spectacular-with-wool>

Think about our RE lessons and when Reverend Kath spoke to us about why the Bible is special. Take a picture of a book that's special to you and explain why.
