

Year 3 Homework Grid (Autumn Term)

Remember to read with your child at least three times a week and make sure it has been signed.
Please make sure your child also goes on Times Tables Rockstars, and checks the homework set on Google Classroom.

Science Light

With your knowledge of light, try to create a shadow of an object of your choice. Ask your parent/guardian to take a picture and post it on Class Dojo or Google Classroom.

Geography Main Features of the UK

Using items from your house, build an outline of the UK.
Use the UK map and see if you can label the different capital cities we have learnt about. Take a picture and put it on Class Dojo or Google Classroom.

RE Harvest

Think about what you have learnt in Harvest. Create a small Harvest scarecrow that could be used in fields to protect the crops.

PSHEC Setting personal goals

Talk to your parents or guardian about a personal goal you want to achieve by the end of the year.
Write it on a piece of paper and put it somewhere to remind you of it.

I can set a goal

Art Line Drawings

Take a picture of something that interests you. Create a line drawing using the shading technique.

Design Technology Linkages and Levers

Collect a rock from your surrounding area carefully. See if you can use materials in your house to transfer it from one place to another.
