

## Year 3 Homework Grid (Autumn)

Remember to read with your child **at least three times a week** and make sure it has been signed. Please encourage them to use Reading Buddies as much as possible.

Please make sure your child also goes on Times Tables Rockstars, and checks the homework set on Google Classroom.

### Science Magnets

Go around your local environment and collect pictures of what you think will be magnetic and what you don't think will be magnetic. Take pictures and send them on Dojo.

### History Stone Age to Iron Age

Bring 2 interesting facts about the Stone Age to the end of the Iron Age into school so you can wow everyone!

### RE God with us

Draw a picture of a time when you thought God was with you.

### Design Technology

What are the most famous tart fillings? Do some research and ask your family on what ingredients they like.

### Art

With a pencil, have a go at making different marks and different patterns. What do you notice? What can you see? Bring it into school with you to show everyone.

### Geography Lake District

We are learning about the Lake District. Using what you know, create a map of what you think the Lake District looks like. You can use drawings or objects from your house.
