

Year 3 Homework Grid (Spring)

Remember to read with your child **at least three times a week** and make sure it has been signed. Please encourage them to use Reading Buddies as much as possible.

Please make sure your child also goes on Times Tables Rockstars, and checks the homework set on Google Classroom.

Science

Animals Including Humans

Draw a picture of a skeleton and see if you can label the parts of the body. Extend your skeleton by adding bones, joints and muscles.

English

Create a poem about keeping your body healthy and healthy eating. Think about how you could use rhyming words in your poem.

RE

Jesus the man who changed lives

Think about how Jesus changed lives for people and discuss with someone you live with who has changed your lives.

Design Technology

Structure of Flowers

Think about how plants grow and look in your surrounding area to see what structures there are in place supporting plants. Draw this on a piece of paper.

Art

Applications of Colour

To practise drawing the sky with different blocks of colour. Think about what colours mix to make another colour and how these can be used.

Geography

Earthquakes and Volcanoes

Make a volcano out of recycled materials in your home and bring it into school to show the class.
