

Year 3 Homework Grid (Summer Term)

Remember to read with your child at least three times a week and make sure it has been signed. Please make sure your child also goes on Times Tables Rockstars, and checks the homework set on Google Classroom and Purple Mash.

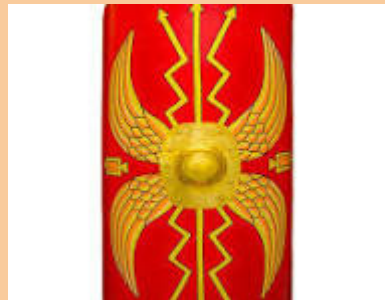

Science Plants

Explore your natural surroundings and see the different leaves, stems and flowers you can see. Explain their function to an adult.

History Romans

Create a shield that can be used in the Roman Army to fight against their enemies.

RE Rules

Create a list of rules that you follow in your house and compare them to other rules, such as the 10 Commandments.

DT Catapult

Try and make a catapult out of recycled materials, just like the Romans and Stone Age people.

Science Rocks

Bring some rocks into school to explore them with a magnifying glass and classify them into different groups.

Geography Earthquakes and Volcanoes

Research the biggest earthquake and volcano online and bring it into class to show your peers.
