

## Year 3 Homework Grid (Summer Term)

Remember to read with your child at least three times a week and make sure the reading record has been signed.  
Please make sure your child also goes on Times Tables Rockstars and learns these including division facts.

### Science Plants

Explore your natural surroundings and see the different leaves, stems and flowers you can see. Explain their function to an adult.

### History Romans

Create a shield that can be used in the Roman Army to fight against their enemies.

### RE Rules

Create a list of rules that you follow in your house and compare them to other rules, such as the 10 Commandments.

### DT Catapult

Try and make a catapult out of recycled materials, just like the Romans and Stone Age people.

### Science Rocks

Bring some rocks into school to explore them with a magnifying glass and classify them into different groups.

### Geography

Earthquakes and Volcanoes  
Research the biggest earthquake and volcano online and bring it into class to show your peers.
