

Year 4 Home learning tasks Spring 2025

Reading

- Create a diorama of your favourite fiction or non fiction text.
- Write a summary about the story or a short report about your choice of non fiction.

Science

This term we will be learning about: Humans including animals

- Research and create a poster about your favourite animal. Make sure it includes: The group the animal belongs to, what it eats (carnivore, herbivore, omnivore), special features that help the animal to survive in its habitat and other interesting facts. (Spend one or two weeks on this homework)

History

This term we will be learning about: The Great Plague.

- Use the internet or books to collect ideas, facts and pictures about the Great Plague.
- Sketch some images from the Great Plague.
- Using lego, building blocks or items around the house, create a model of London in 1665.

PSHEC

This term we are going to learn about: Dreams and Goals

- Write/draw your top five goals for the new year.
- Write about a time when you found something difficult but you persevered.
- Write down 5 top tips to help someone persevere when they find something difficult.

Art

This term we are going to learn about: Textiles

- Look around your home. What different types of fabrics can you find?
- Using scrap materials, create some patchwork art.

RE:

This term we are learning about: **Why do Christians believe Jesus is the Son of God?**

- Draw Jesus as a symbol- light, candle, hope etc
- Write down five facts about Jesus according to the Christian faith.
- Read a story about Jesus with your family. What was the main message in the story?

Remember that you need to read at least 3 times a week including Reading Buddies, learn your spellings and use Purple Mash and TTRS to learn your times tables.

PE is every Tuesday and Wednesday and a full PE kit should be worn. Earrings need to be covered or removed.
