

Year 5 Home learning task beginning Spring 2022/ 2023

These are your tasks for the whole term. You must complete Maths and English activities from Google Classroom weekly and bring them to school on Monday.
Remember – there are activities on Oxford Owl, Purple Mash and Times Table Rockstars

Science:

This term we will be learning about:

Children will focus on the properties and uses of everyday materials, will form reversible solutions, separate mixtures of different materials using a range of methods, and experiment with reversible and irreversible changes of state.

Complete the activities on Purple Mash and on Google Classroom.

History

This term we are going to learn about:

Britain's settlement by Anglo-Saxons and Scots -

We will learn about Britain's settlement by Anglo-Saxons and Scots. We will learn that people have been settling in Britain for a long time, including where they settled, their ways of life and some of the tensions caused by their settlement.

Could you make an Anglo Saxon shield?

Art and Design Technology

This term we are going to learn about:

Art - Painting

Look at the works of these artists: Fauvist paintings (Derain and Matisse) and discuss the vibrant, contrasting and unrealistic colours. Could you copy one of their paintings?

For DT this term we are going to make structures. Could you research different types of structures and try and make your own at home?

Geography:

This term we are going to learn about:

Human and physical geography and land use -

We will research the human and physical features of Blackpool. We will look at how the physical geographical features have impacted on the development of human features eg tourism, transport, settlements, land use and how it has changed over time.

Research fun things you can do in Blackpool. Make me a poster.

Could you make me a replica of Blackpool Tower?

PSHEC:

This term we will focus on Aspirations: Tell me about what you aspire to become when you are an adult. Which skills would you need?

Send me a video of yourself on Google Classroom telling me about your skills and why you think you would make a good employee.

We will also learn about physical and mental health and wellbeing. We will learn what constitutes a healthy lifestyle and the importance of balancing time online with other activities.

Could you make a diary of your lifestyle?

What do you eat every day? How much exercise do you do every day? What do you do to look after your mental health?

RE:

This term we are going to learn about:

It will be Easter in a few months. Prepare for it by completing one of these activities:

Retell the Easter story

Or

Make an Easter bonnet – (wait for the newsletter for more detail)

We will be performing our scene during the Easter Service. Make sure you learn all your lines.

Remember - slow, loud and clear.
