

Year 6 Homework Grid (Spring)

RE - Who was Jesus?

Create a poster on who you think Jesus was and what he means to Christians.

History - Vikings

Create a Viking shield.

Geography - South America

Research a South American country and bring in some key facts.

Computing

Create a quiz for your peers to answer. Think about linking it to a topic we are learning about.

DT - Physical Activity

Keep a diary over a week of all the physical activity you do. Check your heart rate to see if it increased.

Science - William Harvey

Research William Harvey and write a fact file about how important he was.
