

Autumn Term Homework Grid Year 2

Please try and complete as many activities with the adults at home and bring in your finished projects to show everyone at school

Can you make a globe?
Paint and label the oceans and continents.

Think about all the human and physical features we saw in our local area. Can you use junk material (Cereal boxes, kitchen roll tubes etc) to make a local area?

Neil Armstrong travelled in a rocket called Apollo 11 to travel to the moon. Can you design and make a vehicle which may help you to travel to the moon?

Think about the shoe investigation we did in Science. Can you invent a sensational super shoe using the link below to help?
<https://www.littleinventors.org/maker-challenges/invent-a-sensational-super-shoe>

Invent something spectacular using the link below.
<https://www.littleinventors.org/maker-challenges/invent-something-spectacular-with-wool>

Think about our visit to Galligreaves Park. Using any materials you like, create your very own park.
