

Equality Information and Equality Objectives for St Margaret's CE Primary School

Matthew chapter 5, verse 14 to 18 "You are the light of the world. A city set on a hill cannot be hidden. Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven." At St. Margaret's we are committed to encouraging all to flourish, so that their light may shine.

We at St Margaret's CE Primary School are committed to equality.

We aim for every pupil to fulfil their potential no matter what their background or personal circumstances.

We maintain the aim of embedding principles of fairness and equality across our entire curriculum, in assemblies and acts of collective worship, in break and lunchtimes, in pastoral support and in after school activities. As we are a Church of England school, these principles also reflect the guidance provided by The Church of England Education Office in 2017 'Valuing all God's children'.

We must under the general duty of public sector equality duty, in the exercise of our functions, have due regard to the need to:

- ✓ Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited under the Act.
- ✓ Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- ✓ Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

This will apply to all pupils, staff and others using the facilities. We will give relevant and proportionate consideration to the public sector equality duty.

We will have **due regard** to advancing equality of opportunity includes making serious consideration of the need to

- remove or minimise disadvantages suffered by persons who share relevant protected characteristic that are connected to that characteristic;
- take steps to meet the needs of persons who share a protected characteristics that are different from the needs of persons who do not share it;
- encourage persons who share a relevant protected characteristics to participate in public life or in any activity in which participation by such persons is disproportionately low.

We will take into account the six Brown principles of 'due regard'

- **awareness** – all staff know and understand what the law requires
- **timeliness** – implications considered before they are implemented
- **rigour** – open-minded and rigorous analysis, including parent/pupil voice
- **non-delegation** – the Public Sector Equality Duty cannot be delegated
- **continuous** – ongoing all academic year
- **record-keeping** –keep notes and records of decisions & meetings

Why: Pupils come from a variety of ethnic backgrounds and a wide range of religious beliefs are represented.

We will: Continue to foster good relationships between all in our community and beyond, through developing and deepening our links through partnership work both nationally and internationally.

3. To ensure the opinions of all are heard, regardless of age, in the life of the school.

Why: Pupil voice is vital to both pupil well-being and pupils' development as active citizens.

We will update our equality objectives every four years and we will publish progress on them annually in our equality information

We adopt a whole school approach to equality and consider it important for pupils to learn about equality and human rights. We adhere to the Equality and Human Rights Commission (EHCR) statement:

‘To reap the full benefits of equality and human rights education, it is essential to teach topics in an environment which respects the rights and differences of both students and teachers. Without an equality and human rights culture within the classroom and school as a whole, learning about these topics can at best appear irrelevant, and at worst, hypocritical. The respect and tolerance it teaches will help staff and students create a healthier, happier, fairer school culture, and could lead to reductions in bullying and other negative behaviour, and improvements in attainment and aspirations.

Though the Act refers to ‘race’, the use of ethnic/ cultural origin, background or heritage are more appropriate.
