

Pupils online safety agreement

Keeping me safe at home and at school

I will look after the iPads and computers as demonstrated in assembly and by adults

I will tell a grown up if something I see makes me feel worried.

If I get stuck or lost on an app or website I will ask for help.

I will keep my passwords safe and not share it with friends

I will not change my password outside of school

I will not bring mobile phones or tablets to school.

I will not look for images or look up words that I know are inappropriate

We understand that your child is too young to give informed consent on his/her own; however, we feel it is good practice to involve them as much as possible in the decision-making process, and believe a shared commitment is the most successful way to achieve this.

Pupils e-safety contract
