

Staff

Nursery Teacher: Mrs Speight

Teaching Assistants: Mrs Singh and Miss Hawkins

Contacting Acorns

If you would like to speak to a member of staff, please feel free to do so when dropping your child/children off or picking them up at the end of the session.

Alternatively, please ring the school office and a member of staff will return the call after school.

PE

The children will have a PE session once a week on a Wednesday, please make sure children wear comfortable clothes and shoes.

Name labels in clothing

Please put your child's name in every item of clothing. Many children often have identical items of clothing and without names it is virtually impossible to get them back to their rightful owners.

Wellington boots

As part of the Nursery class your child will spend a large quantity of time outside regardless of the weather, therefore please ensure that they have a pair of wellington boots in school at all times. Please make sure your child's name is written inside them.

Spare Clothing

Please can we ask that you send in a bag of spare clothes into Nursery. This bag is to be brought into school each day. In this bag please include all items of clothing; underwear, socks/ tights, skirts/joggers, tops and jumpers. Again please ensure that you label every item of clothing and the bag with your child's name.

Planning

Our Early Years curriculum is carefully planned to make sure that all children thrive and achieve. There are seven areas of learning and development that must be covered in Early Years settings. Three areas are particularly crucial for building their capacity to learn.

These areas, the prime areas, are:

Personal, Social and emotional development

Communication and Language

Physical development

There are four specific areas that must also be taught to support children. These specific areas are:

Mathematics; Literacy; Expressive arts and design and Understanding the World.

We aim to support each child to identify their own sense of identity and self - worth, as well as focusing on each and every child's individual needs and interests.
