

# Home Learning Book

## My Expectations:

- These books should be presented as neatly as your class books
- The quantity of new learning should be the same as your schoolbooks
- Each piece of work should be photographed and uploaded to SEESAW so that I can mark it and tell you how to improve your new learning. (Some pieces I will say do not need uploading)
- If you have any problems with your new learning, ask your parents to message me on Class Dojo, straight away.
