# HOME LEARNING

Wednesday 13th January 2021

Today's timetable

- Morning task- Free choice
- Maths– Bodmas
- SPaG- Spelling methods
- English- Balance and Biased articles (newspaper)
- Guided Reading
- PE- (Optional)
- Story time- watch my clips or read your own (new video will be out tonight!)

Morning task- Free choice Wednesday

You decide how to wake up...

- You could find a video on yoga
- You could practice spelling some words
- You could practice your times tables (timestables.co.uk)
- You could draw something
- You could read
- You could cook breakfast (ask an adult)
- You could make someone a drink
- Or something else!

Maths
13/01/21
Can I solve BODMAS problems?

- What did you learn from yesterday?
- Did you use my video to help?
- If not watch it again…
  - https://youtu.be/3PjAu5q7gtg

A
Work out the brackets first.

1. $(6 \times 3) + 2$
2. $6 \times (3 + 2)$
3. $(60 \div 10) - 5$
4. $60 \div (10 - 5)$
5. $(12 + 6) \div 2$
6. $12 + (6 \div 2)$

7. $30 - (5 \times 3)$
8. $(30 - 5) \times 3$
9. $24 \div (3 \times 4)$
10. $(24 \div 3) \times 4$
11. $5 \times (8 - 2)$
12. $(5 \times 8) - 2$

13. $(7 + 4) \times 9$
14. $7 + (4 \times 9)$
15. $(50 - 20) \div 10$
16. $50 - (20 \div 10)$
17. $(45 \div 5) + 4$
18. $45 \div (5 + 4)$

B
Put the brackets in the right place to make the calculation correct.

1. $3 \times 8 - 5 = 9$
2. $8 + 12 \div 4 = 5$
3. $60 \div 10 - 4 = 2$
4. $36 - 9 \times 2 = 18$
5. $48 \div 4 \times 3 = 4$

6. $3 + 4 \times 5 = 35$
7. $20 \div 4 + 1 = 6$
8. $48 - 15 \div 3 = 11$
9. $7 \times 6 + 2 = 56$
10. $100 \div 20 \times 2 = 10$

11. $9 + 6 \div 3 = 11$
12. $3 \times 7 - 3 = 18$
13. $8 - 4 \times 2 = 8$
14. $84 \div 12 - 5 =$
15. $6 \times 5 + 2 = 42$

C
Place two pairs of brackets to make each calculation correct.

1. $11 - 3 \times 2 = 90 \div 15 + 3$
2. $28 + 12 \div 4 = 2 \times 9 - 4$
3. $5 \times 5 + 3 = 1000 \div 20 + 5$
4. $64 \div 8 - 4 = 3 \times 5 + 1$
5. $104 - 56 \div 4 = 42 - 12 \times 3$

6. $18 + 6 \times 6 = 8 \times 20 - 16$
7. $14 \times 5 - 3 = 10 + 36 \div 2$
8. $75 \div 3 \times 5 = 100 \div 10 - 5$
9. $23 - 7 \times 2 = 8 \times 6 - 2$
10. $36 + 36 \div 9 = 24 - 8 \times 2$

My New video- Click here.

- Then try some of these
- Please try a range of questions, you know how many I expect and how to use these pages!

Spelling- Watch me new video- Click here

- Now a variety of these methods on these words.
- Horrible
- Forgivable
- Disposable
- Identifiable
- Legible
- Invincible
- Reversible
- Valuable

WEDNESDAY 13TH JANUARY 2021

TO RECAP THE KEY FEATURES OF A NEWS REPORT AND DECIDE IF ARTICLES ARE BAISED OR BALANCED?

What we are looking at today

- We are going to look in more detail at the way newspaper articles are organised and the language that is used.

- We are going to focus on whether and article is Biased (not fair or from both sides)

- Or Balanced and talks about both sides of the story.

- We will look at why newspapers do this.

Marcus Rashford criticises 'unaccepta[ble]' food parcels sent to kids

⊙ 12 Jan 2021   Last updated at 15:08

Marcus Rashford has criticised food parcels that have been sent to childre[n during] coronavirus lockdown.

Families have claimed on social media that parcels worth little more than £5 [...]

Let's take a look (listen here) Click here

- Warning...
- Biased does not mean it is wrong!
- Biased means it only talks about one side of the story.
- Biased can be good, it can be problematic!

Your task:

Decide which of these articles is biased and which one is biased. Tell me why!

Then visit either
The Newsround website
Or the Lancashire Post Website
Or if you have a newspaper in your house, even better.

Find me 2 articles that you think are biased (can be sports pages) and 2 articles that are balanced.

(if you can't find an equal amount, find more of one than the other!)

Take a photo of the article and say why you think it is biased. Please try and write your reasons in your book. Set this out however you would like. You can stick your articles in neatly but ensure that they don't take up too many pages!

Ain't they got anything better to do?

Imagine the scene: you're a poor, lonely 87-year old woman, fiercely independent and used to living alone. The house you have lived in all of your life becomes freezing as temperatures plummet in winter. You have no central heating and little money. In desperation you walk 3 miles to a local park and cut down a tree for firewood. Whilst lugging the heavy wood home, you are stopped by the police and arrested for destroying public property! This is policing gone mad. Why arrest the poor and helpless when real criminals are roaming the land?

Woman arrested for chopping down tree

Brenda Haindrock, 87, was arrested yesterday for chopping down a tree in Pumley Country Park.
Police Constable U. R. Nicked said the pensioner was apprehended at 5pm on High Street as she dragged a tree along the pavement.
Mrs. Haindrock, when interviewed, said: "I have no money for coal or firewood, so I chopped down a public tree. I'm a member of the public so why I can't I do that."
A police spokesman said: "Destroying public property is a crime."

So, which article do you think is biased and which balanced? Why?

Wednesday 13th January 2021 Guided reading

- **https://www.youtube.com/watch?v=X4o9hcooGVk**

Watch the video and answer the questions in your book!

1) Where is the tree being discussed at the start of this trailer located?
2) What does legend say about the tree?
3) It is said that the tree "possesses unparalleled healing powers." What do you think the word 'unparalleled' means?
4) What is the key to unlocking the powers of the tree?
5) Pause at 25 seconds – Why do you think the soldiers are shocked when the lady falls onto the top deck of their bus?
6) How does the jungle cruise being labelled the cheapest in the Amazon affect your perception of it?
7) Why do you think Frank opens the door when Lily says "I have a lot of money"? Explain fully.
8) What should you also believe in if you believe in legends?
9) How much does Frank charge to give Lily passage to her desired location?
10) What reason does Frank give for charging more if the woman dies?
11) How do you think Frank feels when Lily reveals that she cannot swim? How do you know?
12) Pause at 1.58 – Explain how the two characters are feeling at this moment.
13) When is this movie being released?
14) Summarise this trailer in a sentence.

PE- Gymnastics

2. Star Shape

- Take off with two feet.
- Make a wide-starred shape with your arms and legs in the air.
- Extend and stretch through to your fingers and toes.
- Land on two feet with your arms forward for balance.

Jumps, Leaps and Turns

1. Tucked Shape

- Take off from the bench with two feet.
- Bring your knees up to your chest to make the tuck shape in the air.
- Land on two feet with your arms forward for balance.

- Today we are looking at PERFECTING all of these moves. Read the tips and practice them. Once you have perfected them then make me a video!

Jumps, Leaps and Turns

3. Straight

- Take off with two feet.
- Use your arms to swing up.
- Make a stretched shape (straight arms and legs) in the air.
- Extend and stretch through to your fingers and toes.
- Toes pointed.
- Land on two feet with your arms forward for balance.

4. Half-Turn off Bench

- Take off from the bench with two feet.
- Use your arms to swing up and twist in the air.
- Make a stretched shape (straight arms and legs.)
- Extend and stretch throug to your fingers and toes.
- Toes pointed.
- Land facing the bench on two feet with your arms forward for balance.

Only try these if you have space!

- Read the tips of how to do them well and send me 1 video of them all. If you do this on Seesaw then you can pause in between each one!
