

Creating Adverbs Using the Suffix -ly

(When The Root Word Ends in 'Y'
and Has More Than One Syllable)

This week we are looking at how to create **adverbs** using the suffix *-ly* when the root words ends in 'y'...

What do you notice about these words?

happily

angrily

messily

happily

angrily

lazily

easily

busily

greedily

messily

wearily

cheekily

clumsily

What do these words all have in common?

How many syllables do they have?

What do the root words end in?

What needs to happen to the root word?

Usually, the 'y' disappears and changes to an 'i' in words that end in y and also have more than one syllable, for example...

happy + ly
= happily

angry + ly
= angrily

weary + ly
= wearily

Here are your spelling words for this week. You will have a test on these words on Friday.
