

Robot Competition!

Year 3 & 4

Thank you so much for joining us for a special live Robots Science Lesson everyone.

Dr Robinson was very impressed with how polite you all were. She has set us a competition where a winner will be picked by her. I will post your competition entries to her on Wednesday 10th.

Homework

**Design a robot and you could win a copy of Dr Robinson's book –
The Science of superheroes.**

Make sure you label your robot to explain how it is special and what it does.
