**School Sport Premium 2018-2019 and Action Plan**

At SMG we place a high importance on our PE and Sport provision. As a school we pride ourselves in not only delivering two hours of high quality PE and Sport but also provide a wide range of opportunities for children to enjoy PE and Sport through after school, before school and lunchtime clubs. We endeavour to give our children opportunities to experience different sporting challenges as they move through the school, and to develop their talents in appropriate competitive formats. In addition to this, those with exceptional talent/enthusiasm will be guided towards appropriate clubs and organisations as well as given opportunities to lead or assist delivery of sport throughout the school and community.
