RE:

Thursday 11th February 2021

**Can I understand the importance of the
Bible in daily life?**

Today's lesson is a real opportunity to demonstrate your maturing, confidence and spiritual understanding of the Bible.

Year 6= Time to prove yourself!

Thinking time

The Bible is important because it brings the reader or the listener into the presence of GOD. It is GOD who truly speaks the words.

Through Scripture, Christians are given the strength and courage in their lives.

This gives them the power to put action into their lives.

A Bible is for living, not just reading.

Today's Task

I want you to plan and deliver a collective worship to teach ANY story from the Bible.

I have put a planning template on the next slide to help you organize it.

Basically, choose a Bible story (use the Bible Gateway website to help you).

Read it to us, then tell us what to do with it and how to pass it on.

Task 1- Use this template to help you plan.
Follow my advice below.

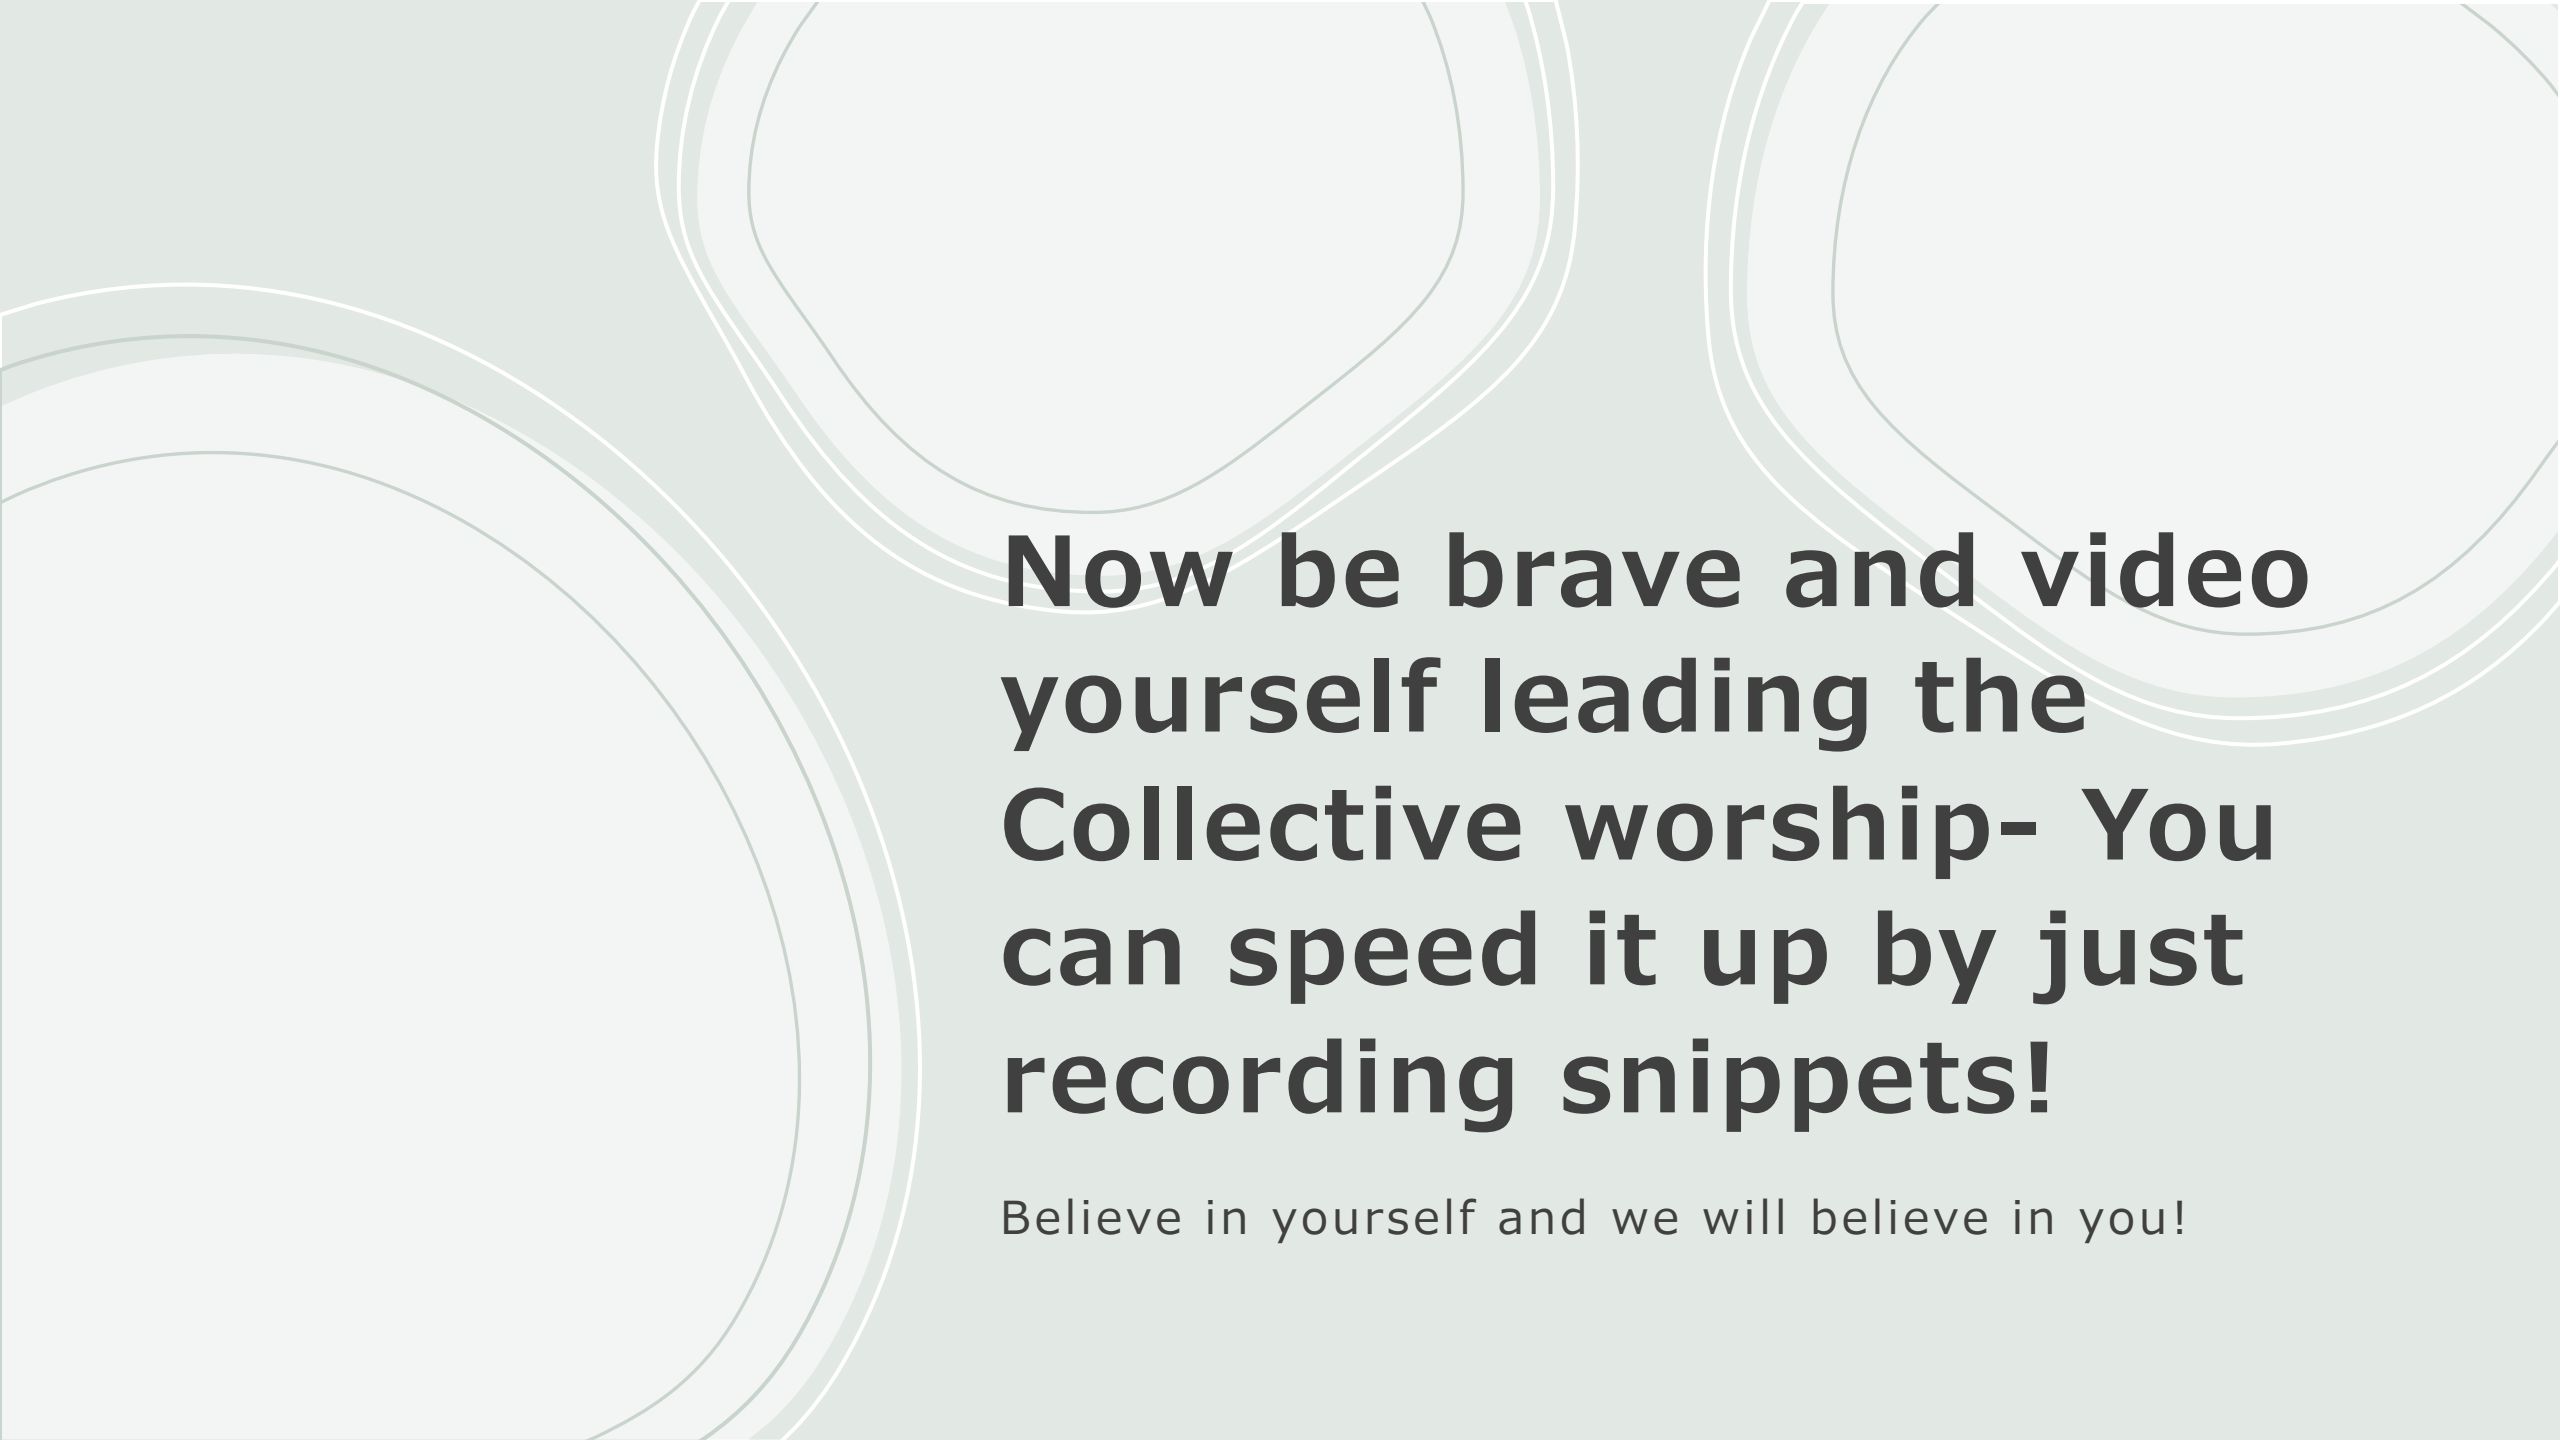

Choose a way to start the collective worship: this could be a Hymn (linked to your story), a prayer (linked to your story), an object that you could pass round, a picture that you want us to draw (be creative!)

Find a Bible story that you know well, or challenge yourself and find a new one. Copy/ type a verse from the Bible that you want to teach us about! Make sure you add where it is from e.g. Matthew 17, 13-19 etc

How will we respond, will we sing a hymn? Will we make something to remember the story by? Will we be asked to draw something? Will we eat or drink something? Will we be given a gift?

This is the really important one. What do you want us to do after hearing it? E.g. if your story is about generosity, you could ask us to give time or money to the poor etc

REJOICE	
	Celebrate: The children's new knowledge and understanding of the meaning of expectation and Advent, a time of joyful expectation of Christmas, the Word becoming a human person, Jesus.
PLAN	
	Decide from all the children have remembered what will be included. Share some refreshment at the end.
GATHER	
Consider how the children will begin the celebration.	
WORD – LISTEN	
Listen to some scripture from the topic read or enacted in some way.	
RESPONSE	
How will the children respond to all they have heard?	
GOING FORTH	
How will the celebration be concluded?	

**Now be brave and video
yourself leading the
Collective worship- You
can speed it up by just
recording snippets!**

Believe in yourself and we will believe in you!

English

Today I would like you to continue with your website. (to be finished by Friday)

Advice:

- Make sure that each section that we wrote about has its own page.
- Make sure that the photographs that you add are linked to your topic
- Ensure that Formal language is used throughout the website
- No spelling mistakes!
- Check for capital letters and full stops!
- Remember- this is your digital footprint, this is going LIVE online so make sure that it shows how fabulous you are!

Geography

Thursday 11th February 2021

Can I tell you where the Earth's biomes are?

Today I would like you to watch the next video from Oak Academy and take notes (You could set this out like a poster!)-
You can complete this on Seesaw if you prefer!
