Can I develop our knowledge of the function of a colon?

[Here is the link for today's Learning](#)

- Today is really important as this introduces new punctuation! Lots of you have been asking me about this one!
- Make sure that you:
 - Take notes along the way (like we do in SPaG)
 - Pause the video and complete the tasks
 - Then try and apply it with your own sentences!

Can I answer VIPER Questions based on Dumbo? [WATCH HERE](#)

We will return to our other piece of Guided reading next week!

1. What is the name of the baby elephant?
2. How do the children discover that Dumbo might be able to fly?
3. This movie comes from the imagination of who?
4. What three adjectives are used to describe what the circus has?
5. Pause at 1.02 – How do you think the audience would feel seeing an elephant fly for the first time?
6. What is the name of the huge circus that the family are shown part way through the trailer?
7. Why do you think the colours are faded and dull as Dumbo's mother is taken away? Explain fully.
8. Pause at 1.25 – Choose one word to explain how you think Dumbo is feeling here. Explain your choice fully.
9. What does the girl promise Dumbo?
10. On what date was this movie released?
11. Pause at 1.35 – How does this image make you feel as the viewer. Explain your answer.
12. The trailer suggests you "find your courage." What do you think the word courage means?
13. Why is Dumbo holding a black feather as he stands on the plinth in the circus tent?
14. Do you think Dumbo will fly as the girl asks?
15. Summarise this trailer in a tweet. Include an appropriate hashtag.

Topic - What is the geography of the Arctic and Antarctic?

This is our last lesson on Oak Academy as I will be taking over from here 😊

Watch the clip and create a double page spread along the way.

Pause the video when he instructs but also stop it to make notes when you think you need to.

Our double pages spreads have been getting better and better- make them neat, artistic, use your page to show off what you learn!

The best double page spreads will go on our class blog for the world to see!
