Ambition

Our Christian ethos is our fundamental and guiding principle. The core values which underpin our partnership are loving all our neighbours - in our school, the local community, nationally and globally, as Jesus told us to.

Together we seek to be both excellent and distinctive, serving one another and our communities in love and encouraging and supporting each other. We celebrate our shared Church of England foundation welcoming all, those of all faiths and none, valuing humanity in all its diversity.

We believe everyone should reach their full potential - to love each other, love to learn and learn to love life in all its fullness.

'This is My commandment, that you love one another as I have loved you.'
John 15:12

Commitment

We have agreed on a set of practical commitments to deliver our ambition. These are set out in our PSC Plan (copies available).
