Ambition

Our Christian ethos is our fundamental and guiding principle. It strives to create a school family in which pupils are educated and inspired through a love and understanding of God, each other and our world. The core values which underpin our partnership being respectful, generous and achieving.

Together we seek to be both excellent and distinctive, serving one another and our communities in love and encouraging and supporting each other. We celebrate our shared Church of England foundation welcoming all, those of all faiths and none, valuing humanity in all its diversity.

We believe everyone should reach their full potential - to love each other, love to learn and learn to love life in all its' fullness.

Let's not get tired of doing what is good, for at the right time we will reap a harvest – if we do not give up.

Galatians 6 v 9

Commitment

We have agreed on a set of practical commitments to deliver our ambition. These are set out in our PSC Plan (copies available).
