Dear Parent Carers,

Weekly Update – 09/01/26

Happy New Year! We hope that this update finds you well and refreshed after the break. As always, it's great to welcome our students and staff back into school and catch-up with them. We are looking forward to the half term ahead, and the return of lighter mornings and longer days!

Project SEARCH – Supported Internship Programme

This week's update has a large focus on our very successful Supported Internship programme at the Royal Derby Hospital. We have opened up applications for the next cohort of students starting in September 2026 – please take a look and feel free to share with any other families who could be interested.

Message for Year 11 Parents and Carers

As we move through the phase transfer process, we would like to remind Parents and Carers to carefully read and check any draft Education, Health and Care Plans (EHCPs) you may have received from the local authority. If you require any support or have questions, please do not hesitate to contact the Family Support Team or Heather. Additionally, for students who have applied for external placements such as Derby College, YMCA or Leesbrook, we ask that you regularly check your email accounts for updates regarding interviews, offers or decisions. If you experience any difficulties, the pastoral team are available to support and can liaise with Hayley and Heather as needed. This is a busy but important time, and we are here to support you and your child throughout the process.

Maternity Leave

Today we say a temporary goodbye to Kobi Thompson as she goes on Maternity Leave. I hope you will join the school in wishing Kobi and her family well. We look forward to hearing some very special news from Kobi soon!

Welcome to New Staff

To cover Kobi's pastoral group during her maternity leave, we have appointed a new Teacher, Ashley Purser. Ashley is an experienced Teacher who also has experience of working as a SENCO in a Trust.

This week, we have also welcomed Amanda Sandland to our Business and Administration Team as a Receptionist.

WHAT HAVE WE BEEN UP TO?

An exciting start to 2026 over here. We have six interns beginning their second placements at the hospital.

Our second placement roles this year are:

- Pharmacy porter
- Radiography Department Assistant
- CT Porter
- Theatre Porter
- Cleaner
- Library Assistant

It has been great to see the determination our interns have had to take on new challenges, meet new teams and learn new job roles in their second placements.

Two of our interns are excitingly completing paperwork to start their employment THIS MONTH within the ISS Porter team. They have been completing work trials, getting all the documents in place and even planning what they'll do with their first pay packet!

Between all the hard work, we managed to squeeze in a Christmas do at the end of a busy term! I'll let you guess who won...

St Martins

Supported Internship

WHAT IS IT?

The Criteria

Year 14 only (this means if you are a current year 13, you'd be applying now)

You must have an EHCP

You travel independently (travel is not funded)

The Offer

A one year, year 14 transitional course designed to build individuals' transferable skills and prepare them for the world of work.

Our goal is for each individual to gain sustainable and meaningful employment.

We are driven to improve the rates of employment for adults with additional needs and in turn, better futures.

The Details

The one year course is split into the following sections:

Induction (September)

Onsite set-up, complete induction courses, orienteering sessions and key skills classes.

Placement 1 (October–December)

Placement 2 (January–March)

Placement 3 (April–June)

During placements, the days are set out like this:

9am–10am : Employability skills

10am–3pm ; Placement

3pm–4pm : Reflection session

Parents Carers attend three

Employment Planning Meetings throughout the year.

Commitment

Interns must be committed to a full time course, set in a real-life hospital. The environment can be challenging, but it is very rewarding.

The course is designed to be the last year in education. A dedicated Tutor and Job Coach are on site to support placements, employability skill development, CV writing and job applications.

As an on-site team, we arrange placement areas on an individualised basis, there is no pre-set pathway and employment can be gained at any time.
