

13th February 2026

Dear Parent Carers,

Weekly Update: 13/02/26

I hope this update finds you well. This half term seems to have flown by, and the mornings and evenings are starting to get lighter, brighter and possibly drier too! Students and staff are ready for a restful week off, and we look forward to welcoming everyone back to school on Monday 23rd February.

Looking ahead into next half term and beyond, preparations are well underway for lots of exciting residential activities. Groups are planning to go to places such as Mount Cook Adventure Centre, Bakewell, Manchester, Chester, Telford, York, Warwick, Whitby and Chapel St Leonards. To help make these opportunities possible and open to all, the school supports the cost of residential by subsidising the amount that Parent Carers are charged. We are sure that you will agree that residential experiences are beneficial for all of our students, and well worth the effort!

Derby City Youth Mayor Election

I am delighted to share that Anselmo Pedro, a Year 11 student at St Martins, has been voted as Deputy Youth Mayor of Derby! To take part in the election, Anselmo gave speeches to a variety of stakeholders and made his way through the initial selection rounds, before students from schools across the city voted for him.

In addition to his role as Deputy Youth Mayor, Anselmo is also one of our Head Students. We are so proud of Anselmo for stepping up in this way and can't wait to follow him during his exciting new responsibility.

February – Reading That Matters to Me

As part of our Year of Reading programme, we are holding a special reading session during English lessons on Monday 23rd February.

The theme for February is “Reading That Matters to Me”, where students bring in a text that reflects their own interests. This could be a book, comic, magazine, or any reading material they enjoy. The aim is to:

- celebrate each student's personal reading choices
- encourage students to share their favourite stories, facts, or comics with their peers
- explore reading for pleasure in a way that is meaningful to them
- link reading to students' own experiences and hobbies

During the session, students will:

- read independently or with adult support.
- take part in short, step-appropriate activities.
- discuss their texts and share their thoughts.

You can support your child by helping them choose something they enjoy and celebrating their participation.

We look forward to seeing the variety of texts and interests that students bring and to a fun, engaging reading session on 23rd February!

Congratulations!

We hope you will join us in sending congratulations and best wishes to Kobi-Kazia Green and family on the birth of baby Noah! Noah was born on Saturday 7th February, weighing 7lbs 8oz. Kobi and Noah are both doing well, and we can't wait to see them both soon!
