

23<sup>rd</sup> January 2026

Dear Parent Carers,

**Weekly Update: 23/01/26**

I hope this update finds you well. The main focus of this week's update is the positive outcomes for students working with the Wellbeing Team. As you know, the strength of the Wellbeing Team is one of the highlights of our outstanding school, and the 'shout-outs' below reflect the progress that our students make. For us, progress isn't necessarily about grades, it's about the personal development of our young people on their journey to Shaping Successful Futures. I hope you enjoy reading this update!

**Wellbeing Team Update**

It has been a busy and positive start to the year for our Wellbeing Team, who continue to support an increasing number of students across the school and Horizons. We are incredibly proud of the progress many students are making and would like to take this opportunity to share a few highlights and celebrate some fantastic achievements.

**Student and Session Shout-Outs**

- Hayley Rice would like to celebrate Dylan P (Year 11) for his improved use of strategies, seeking out trusted adults, allowing co-regulation, and developing a more positive mindset. A fantastic achievement – well done, Dylan!
- Laura would like to celebrate the strong engagement with sensory circuits across the school, with three classes supported. Students have shown excellent participation and improved regulation.
- Lyndsey would like to celebrate Ruby for her creativity in designing pictures using AI, as well as her improved social skills when working within her class group.
- Shelli would like to celebrate Anthony P, who is now confidently interacting with classmates and has even set up and run his own Talking Tom Club. This reflects huge progress in confidence, emotional regulation, and learning in class.
- Shelli would also like to celebrate Alicia and Tanmay, who have both been on significant personal journeys, showing increased confidence and

communication, alongside positive interactions with a wide range of peers and staff.

- Tammy has been working closely with our Occupational Therapist, supporting class teams to follow reports and recommendations. A special shout-out to Gabe for trying a range of different activities to support his learning and focus.
- A shout-out to Lily for continuing with her ELSA training, as well as supporting Lily and Keegan with self-esteem and confidence. She has also played a key role in supporting the Year 11 pastoral group with transition planning.
- Morgan would like to celebrate Yusaf for his growing confidence, conversational skills, and impressive bike-riding progress – now comfortably completing 6–7 laps.
- Will would like to celebrate his Dungeons & Dragons group, which has been truly inspiring. The students are now confidently running the sessions themselves, with a special mention to Liam. The group has demonstrated excellent role play, teamwork, creativity, and problem-solving skills.
- We are also proud of our recently established peer mentoring groups, with Kian and Ashley C taking ownership of their roles and demonstrating strong leadership skills.
- Nicole would like to celebrate her sports group, who have shown great engagement and noticeable improvements in behaviour.
- Although she is currently off work, the Wellbeing Team would also like to thank Hayley Dexter for her continued commitment and valuable support with the Year 11 and Year 13 transition process.

There are many more students making fantastic progress with the ongoing support of the Wellbeing Team, and we are incredibly proud of each of them.

Our Learning Mentors will be available at both upcoming Parent Carer Evenings on Tuesday 3<sup>rd</sup> and Wednesday 4<sup>th</sup> February to share resources and chat about any student sessions. Please do come and say hello.
