Topics Overview

AUTUMN TWO

AS MATHMETICIANS

In Maths, we will develop our understanding of fractions as well as learning to convert between different metric and imperial units of measurement and apply our skills to solve problems.

AS WRITERS

Our writing unit theme in autumn one is WW2. We will be writing a flashback narrative and a non-chronological report.

AS CATHOLICS

Our RE unit this half term allows us to about significant women in the Old Testament, exploring their stories, their faith and the important roles they played in God's plan.

AS CREATORS

In DT we are going to gain practical skills for creating, testing and transferring code to micro:bits and we will also be creating our own sensor night light.

AS LINGUISTS

In French, we will learn a poem in French and perform it as well as learning about Christmas in France and comparing French traditions to British traditions.

AS SCIENTISTS

This term, we will investigate how electrical circuits work and draw circuit diagrams. We will carry out investigations, record our findings and use scientific evidence to explain our results.

AS ATHLETES

In PE, we will create and perform gymnastics sequences. In outdoor PE, we will develop our map-reading, navigation and problem-solving skills through orienteering challenges.

AS READERS

Goodnight, Mr Tom' by Michelle Magorian is a moving wartime story about an evacuee who discovers friendship, kindness and belonging.

AS GEOGRAPHERS

In geography, we're learning about the Polar regions. By the end of the unit, we will be able to discuss what life is like at the very top and bottom of the Earth.
