Robins

Topics Overview

AUTUMN SECOND HALF TERM

MATHMETICIANS

As mathematicians this half term we will be looking at place value (within 100) looking at how to count in groups of tens and ones and partition tens and ones. We will also be looking at 2D and 3D shapes.

WRITERS

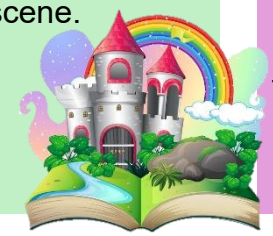

As writers this half term we will be looking at letters by the jolly postman. We will be learning how to write one and give one to Father Christmas. We will also be writing our own Christmas recipe following instructions.

CATHOLICS

As Catholics we will be looking at the Christmas story thinking about the accounts from the Annunciation and how prophets and messengers were told about Jesus long before Jesus was born.

CREATORS

We will be looking at levers and sliders to create our own fairytale scene.

TECHNICIANS

This unit introduces children to using software tools to group and sort recognisable objects. By the end of the unit, children have the opportunity to collect simple data and present it in a pictogram.

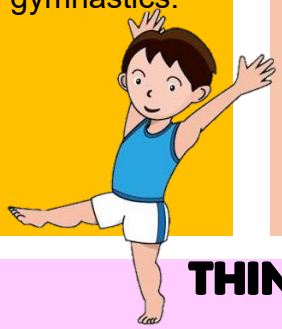

SCIENTISTS

As Scientists we will be looking at animals including humans with a particular focus on growth.

ATHLETES

In our outdoor PE session we will be looking at our underarm throw. In our indoor PE we will be focusing on gymnastics.

READERS

As readers we will be looking at the series of The Jolly Postman by Janet and Allan Ahlbeg. We will be looking the letters and recipes that they wrote. As it is non-fiction November, we will also be looking at non-fiction texts and why they are so important.

GEOGRAPHERS

In Geography we will be answering the question: What would it be like to visit our capital city? We will look at the important landmarks, rivers and what life is like.

THINGS TO REMEMBER

As the cooler and wetter days continue, please make sure that your child has their navy-blue coat with them every day.
Our PE days continue to be Monday and Thursday. Please check the Team Theme calendar for those extra PE days.
Please make sure that your child's reading record is signed every night.
