Dear Nursery child Parent/Carer,

30 Hours Nursery Provision – Government Vouchers

All 3 and 4 year-olds in England are currently entitled to free early education for up to 15 hours a week, for 38 weeks of the year.

Since September 2017 a further 15 hours a week may be funded by the Government for those children whose parent/carers or parents/carers work and live in England, and earn or expect to earn over the coming three months between the equivalent of 16 hours at the minimum wage and £100,000 per year.

If you are eligible, or need to check for eligibility, for HMRC funding of the additional 15 hours a week please log onto the following web page and follow the instructions: <https://childcare-support.tax.service.gov.uk/par/app/extendedentitlement>

To complete your application, you will need to know the following information:

- Your National Insurance number
- Your Unique Taxpayer Reference if you are self-employed
- The date you started, or are due to start work
- Details of any government support you get
-

Please note you will be required to provide a new 30 hours code for each term if eligible to claim.

If your claim is successful HMRC will provide you with an 11 digit voucher code. This can take up to 10 working days so please apply as soon as possible. Once you have received your 30 hours code, you will also be expected to complete a borough Parental Declaration Form, which will be provided by the school office.

Please fill out the attached form and return to the school office.

Yours sincerely,

L. Herman
