GATHER

As we gather together, we pray for all those who have suffered because of the Grenfell Tower fire seven years ago.

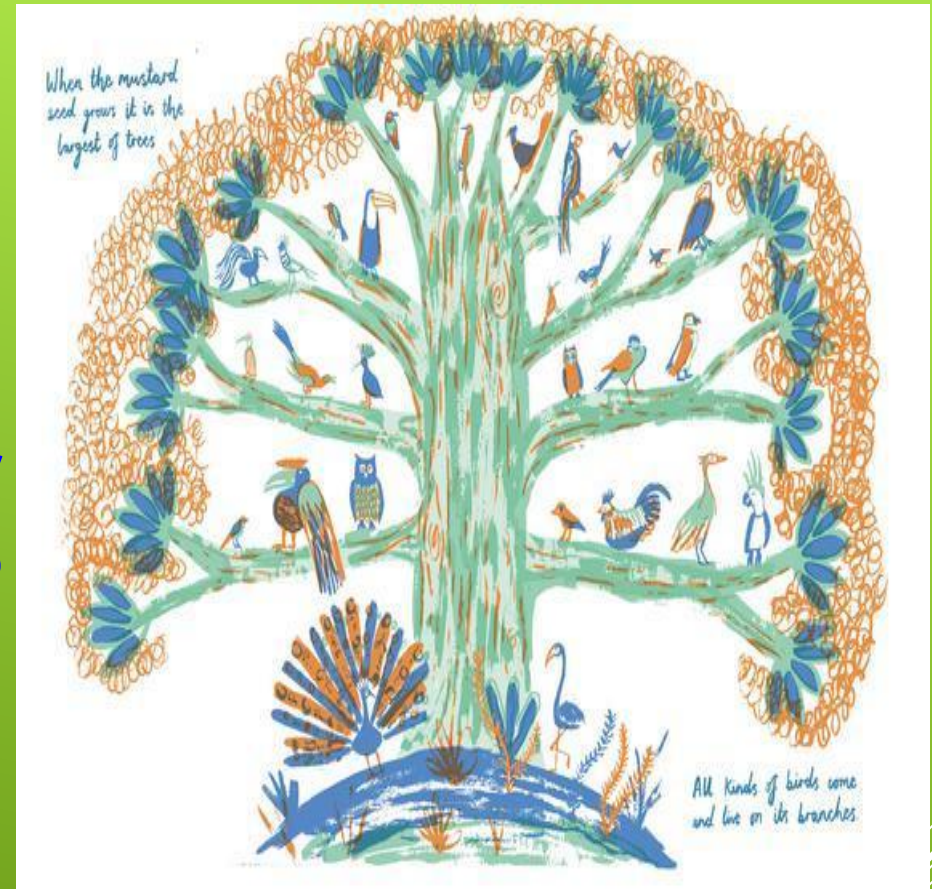

We pray for all the residents of Grenfell Tower. We pray particularly for those who have suffered injury, those who have died, and all the residents who were left without a home, families who lost the loved ones and the entire community that has been affected.'

Hail Mary...

Reflect

The birds represent people who live together in a community and help one another and make one another stronger. Communities centred around Jesus are strengthened further by the Holy Spirit.

In the last seven years, on the Anniversary of the Grenfell Fire, the community have come together in many ways, remembering, praying, fighting for justice for the victims and fighting to ensure safety of other buildings so this tragedy would not happen again!

COMMUNITY TOGETHER

Let us pray

LET US PRAY

Gracious God

We pray for those who suffered in any way in the fire at Grenfell Tower, for casualties, for the wounded, for the missing and the traumatised, for those who died in the fire and for the families who lost the loved ones.

Dear God, we ask you:

In despair bring hope

In injury bring healing

In fear bring comfort.

In our helplessness be our strength.

In your mercy hear our prayers.

In Christ's name.

Amen.

MISSION

Pray for those who need hope and a light in the darkness in our community but also around the world.

Think of people in our community and pray for them, particularly those effected by the Grenfell Fire in so many ways!
