Newsletter - Friday 13th June 2025

## Message to parents from Ms Magdalena Tusting

Dear Parents/Carers,

Welcome to Issue 33rd of our Newsletter.

On Thursday the **Year 2 Class** presented their very special Class Assembly on **the Fruits of the Holy Spirit**. The pupils presented their learning in Religious Education on the Holy Spirit, following the Feast of Pentecost last Sunday.

Their assembly was absolutely wonderful! It was lovely to see the children presenting their parts with such confidence and gusto. Thank you to all the children for their commitment and enthusiasm to learning. Thank you to the Year 2 Team for leading their children in all the learning, practising and all the activities that led to this wonderful presentation!

Please, read the rest of the Newsletter to see what your children did this week. Please, also have a look at the dates for this term.

Wishing you a lovely weekend and a relaxing weekend.

Magdalena Tusting

## Grenfell Anniversary

Tomorrow, Saturday 14th June is **the 8th Anniversary of the Grenfell Fire**, which hugely affected the whole local community. Many families are still deeply affected by this tragic event. Every year, we commemorate the fire, remembering and praying for the victims and their families, as well as the whole community. This year we continue with the green for Grenfell theme and we have invited pupils and staff to wear something green to show their respect.

We have a permanent Grenfell display in the school and every year we also have an outside one. This year, following class discussion and prayer times, our children wrote their prayers and thoughts on green hearts that you can see displayed in the front of the building, on windows and doors. Our thoughts and prayers are going out to the victims and their families and all those affected by Grenfell Fire.

## Catholic Life and Mission of the school

**This coming Sunday, 15th June is the Feast of the Most Holy Trinity.**

**The Spirit of truth will lead you to the complete truth**

Jesus said to his disciples:

'I still have many things to say to you but they would be too much for you now. But when the Spirit of truth comes he will lead you to the complete truth, since he will not be speaking as from himself but will say only what he has learnt; and he will tell you of the things to come.

He will glorify me, since all he tells you will be taken from what is mine.

Everything the Father has is mine; that is why I said:

All he tells you will be taken from what is mine.'

**John 16: 12-15**

This half term we are looking at the school value of **Tolerance** and the Catholic Social Teaching Principle of **Common Good**. These two important themes will be recurring throughout all areas of our curriculum.

**Tolerance** refers to the ability to accept and respect differences in opinions, beliefs, or behaviours of other people, even if they differ from one's own.

It is the ability to live together in harmony despite our divergences. Being tolerant involves being understanding, open, and respectful towards the diversity of ideas, cultures, religions, and ways of life.

It does not imply agreeing with everything, but rather seeking constructive [dialogue](#) and avoiding attitudes of rejection or discrimination. Tolerance promotes peaceful coexistence and fosters mutual understanding in a diverse and plural society. The Catholic Social Teaching (CST) principle of the **Common Good** refers to the social conditions that allow all individuals and communities to flourish and reach their full potential. It's a central idea in CST, closely linked to **Human Dignity and Social Justice**. The Common Good emphasizes shared responsibility for ensuring the well-being of everyone, especially the most vulnerable.

## A message regarding Attendance and Punctuality from Ms Hampton

Dear Parents/Carers,

**Attendance  
&  
Punctuality**

### Re: Attendance & Punctuality

Excellent attendance is fundamental to an excellent education. Our Attendance policy follows the policy outlined by the Education Secretary, stating that children are not to be absent from school for holidays or other non-essential reasons during term time. Only in exceptional or mitigating circumstances will an absence be approved.

### Illness

If your child is unwell and unable to attend school or absent from school for any reason, please phone the school on 0208 2053790 before 8.40 am.

We have an answerphone where you can leave a message before the office opens, please speak clearly with your child's name, class and the reason your child is unwell.

You can use the absence line from 8.00am to speak to a member of the office.

If we do not receive any information from a parent/carer in the morning, we will contact parents/carers asking them to phone the school. If we do not hear from you we will pursue all contacts regarding a child's absence as part of our safeguarding procedures. Please leave a message by 9.00 am each day of their absence.

If your child has either vomiting or diarrhea, they should stay at home for 48 hours from the last bout of illness. This is a recommendation from Public Health England to protect other pupils and

staff. If a child is sent into school within the 48 hour period, we will contact the parents/carers and ask for the child to be collected from school.

Any absence can result in a loss of continuity for your child's education and upset their balance of learning. As a school, we are required to provide details of all unauthorised absences to the Local Authority.

### **Medical and Dental appointments**

We ask that you please make every effort to avoid booking medical and dental appointments during school time. Where this is unavoidable, parents/carers should put this in writing to the school office and attach a copy of the appointment card or letter before the date of the appointment. Please also include the time you will need to collect your child. If arriving late, please ensure that your child is accompanied and signed in by an adult at the school office for safeguarding reasons.

### **Other Absences**

Requests for absence during term time will not be authorised unless there is deemed to be an exceptional circumstance. Local Authorities have the power to serve parents with a Fixed Penalty Notice if a child has significant or repeated days of unauthorised absence.

### **Being Punctual**

**School starts at 9.00 a.m. every day. Children need to be in their classrooms by 9 a.m. so that they can start their lessons promptly.** Arriving at school on time and ready to learn is the best start to the day for our children.

It is important for your child to arrive at school on time if they are to get the most out of their education. Being late is disruptive for your child but also for all the other children in the class.

### **Punctuality**

5 minutes late every day means missing 3 days of school every year.

**Punctuality is continually monitored. The gates open 15 minutes before the school day begins. If your child arrives after this time, then they will be recorded as late in the register!**

Attendance is regularly monitored by the local authority **who will fine any unauthorised absences.**

## **Expectation of children being collected at the end of each day**

We expect all parents/carers to collect their children on time. Once the gates have closed, the children who have not been collected are brought into the office. If there are exceptional circumstance which are causing a delay, please contact the office immediately.

We do not have capacity to look after any children who are not picked up after that time.

As you are aware, the office gets very busy and the children cannot be left unsupervised in the reception area as it might pose the safety risk.

Please, ensure that you have arrangements in place to pick up your children on time.

Aktiva, the company running Wrap-Around Care in the RBKC North Hub in Ark Brunel, does take one-off bookings, so please feel free to use their services in emergencies.

Avenues Youth Project offer after school activities and a Walking Bus service, where they collect the children at the end of the day. Please see the information below on how to sign your child up.

### PE Days

Please remember that children can come to school in their PE kits on PE days. Please refer to our guidance on school uniform and ensure your child has the correct PE kit. If for any reason they are not able to come in the correct kit, we require an email or phone call from home to explain the circumstances.

#### Class PE sessions

Fridays - Y2, Y3,Y4 and Y5

In the week commencing 12th May, Year 6 have their SATS assessment week. To accommodate consequent timetable changes, Year 2 will have two PE lessons on Wednesday 14th May. They will not have PE on Friday 16th May.

## Important Parents' Information

### Uniform

Thank you to the vast majority of our pupils who wear their full school uniform. We have noticed that quite a few children do not have their ties whilst at school. Please, note that the school tie is part of our school uniform. Could you, please ensure that your child wears the tie to school every day,

Pupils should be wearing **school shoes** when they are not wearing trainers as part of their PE uniform. Quite a few pupils are wearing colourful trainers, which are **not** part of the uniform, and we ask that you kindly check with your child and make sure they wear full school uniform, which includes black shoes.

Please note that if for any reason your child is not in full school uniform or full PE kit, we expect a note from parents to explain why this is the case.

### **Jewellery and Expensive items**

As part of our school uniform, the children are allowed to wear small studs. Any long, dangling earrings might be the cause of accidents and therefore are not allowed.

If children wear necklaces with any religious symbols, please, make sure that your child is aware that these need to be tucked under the clothing for health and safety reasons.

As you are aware, we advise that children do not bring any expensive items to school, as we **cannot take responsibility for loss or damage**. Only children in Y5 and Y6, who have permission to walk to and from school on their own, can bring phones to school. However, they have to hand them in at the gate and pick them up from their teachers at the end of the day. During school hours the phones are stored in the safe.

Pandora bracelets as well as other bracelets and necklaces or "smart" watches are **not allowed** as they can create a health and safety hazard. In addition, they are often expensive or hold sentimental value.

Additionally, as "smart" watches are connected to other devices via the Internet, they are therefore **not allowed at school for safeguarding reasons**. This is in line with government and local authority guidelines and we ask parents to help us ensure that these guidelines are followed.

If you have any questions about any of the information above, please contact the office to make an appointment with a member of Senior Leadership Team.

Thank you for your support with these important issues.

### **Attendance**

Congratulations to all the pupils who achieved 100% attendance this week!

Our overall attendance is the same as last week **is 92.08%**. This is extremely low and as a school community, we need to do much better. Our school target is **96.00%**.

If required we will arrange to meet with parents, to draw their attention to their children's absence. There is a strong correlation between school attendance and pupil outcomes. Please ensure your child is at school unless they are ill.

### Holiday during term time

The government policy is that holidays during term times are not permitted, therefore the school **cannot authorise** any absence due to holidays during term times. If you take your child/ren out of school for a holiday during term time, they will be referred to the Local Authority if necessary. Please note this for any plans you are making for the new academic year 2024-25. The Department for Education expects parents/carers to organise holidays outside of the school term dates. Your child/ren's learning will suffer by taking them out of school and it may result in disruptions to the learning of others. We have already referred some families to the local authority who will issue a penalty notice.

### Contacts

It is a requirement that the school has a minimum of **2 emergency telephone contact numbers** for your child. We need to be able to contact you at all times. Our admin team, endeavour to update our data systems with your details termly. This is essential for the wellbeing of your children and we need your help to ensure that you are contactable at all times. If there are any changes for 2024-25, please ensure you contact the school office at the beginning of the new academic year.

## Look what we have been doing -Key Stage 2

This week year 3 have been tinkering with Scratch. We have had a great lesson of playing around with the different programming blocks and seeing what code we can come up with.

### Year 3

We have even been brainstorming how we can fix code that isn't working properly to make our animations even better!

We're so fortunate to have our beautiful new sensory garden to explore. Every year group has a scheduled day to play in it at morning break and lunchtime.

### Year 4

Year 4 were very keen to have a play on their day and make the most of their time in the fun, creative space.

Year 5 have been studying the poem 'The Highwayman'. This week we had great fun freeze-framing a scene from the book and hot-seating as a number of the main characters.

## Year 5

On Monday, the Year 6 children celebrated Pentecost in class through a collective worship led by Nina, Agatha, Stefan, and Yaffet.

## Year 6

We were very pleased to welcome Miss Hampton and Miss Tusting, who joined us for the occasion and were very complimentary about the children's thoughtful contributions.

## Avenue Youth Project Primary AfterSchool Provision

You can now sign up to the Avenue Youth Project for Afterschool Provision, they also provide a walking Bus Service.

### ROUTE DETAILS

The walking bus journey begins at St Mary's Primary School main entrance, where children assemble at 3:15 PM. The route takes approximately 10 minutes, with arrival at The Avenues by 3:45. The journey includes two key crossing points, featuring a small crossing on East Row, another by the park on Kersall Road, followed by a bridge crossing which takes you to the bridge, providing access to Harrow Road. At Harrow Road, the group will cross at the traffic lights and cross again onto Third Avenue.

[See Route Here](#)

## A WALKING BUS SERVICE

To establish a safe and supervised walking bus service connecting St Mary's Primary School, St Charles Primary School, and The Avenues Youth Project, the walking bus will ensure students in Years 3-6 can access quality after-school activities through reliable, supervised walking routes between the schools and after-school service.

The walking bus addresses the current financial barrier of £7.50 per day after-school club costs which has limited student participation. The service will incorporate road safety education as an important part of the daily journey.

The walking bus builds on the existing relationship between St Mary's and the Avenues while expanding the reach to include St Charles Primary. Through this coordinated approach, the walking bus will transform access to the Avenues after school activities, making them easily accessible to all students regardless of their families' employment status.
