Newsletter - Friday 20th June 2025

## Message to parents from Ms Geraldine Hampton

Dear Parents/Carers,

Welcome to Issue 34nd of our Newsletter.

Your children have coped very well with the hot weather and as the warm weather is set to continue next week, please continue to follow the hot weather guidance contained within the body of this newsletter. To try and keep your children safe at school, we will only be letting them outside to sit in the shade and to do quiet play/book reading.

At the hottest part of the day, we will keep the children in the shade or, if necessary, inside. Please ensure that your child puts on sunscreen before they come to school and wears a cap. They should also bring their water bottle if they do NOT already have one at school.

Yesterday, was the feast of the of Corpus Christi. The celebration is associated with the commemoration of Jesus's Last Supper with his Apostles before His crucifixion. Still, the focus of Corpus Christi isn't the passion and death of Jesus Christ, but rather that he is here among us for all time. And Catholic mass is the central element of the feast.

I would like to wish you a restful weekend and enjoy the lovely weather.

Ms Geraldine Hampton

## Guidelines for the hot weather!

### Government guidelines:

- A relaxing of the school uniform rule. Parents will be sent permission to allow children to wear their School PE kits.
- The School will insist that children come to School wearing a sunhat. Children will not be allowed to play outside without one.
- Whilst outdoors, children are encouraged to stay in the shade as much as possible. If the heat is extreme the School will activate it is wet play procedure and children will kept inside under supervision during break times.
- Parents will be advised to apply Sunscreen with high sun protection factors before the School day commences to protect their child's skin.
- Staff will encourage children to take off their blazers and jumpers.
- Games and PE lessons will be cancelled.
- Where possible, classroom doors and windows will be opened to encourage cross ventilation. The site manager will ensure windows are opened early in the morning, before children arrive.
- Electric lighting will be kept to a minimum and electrical equipment will be not be left in 'standby mode', as this generates heat.
- Mechanical fans will be used in classrooms to increase air movement.
- Children will have direct access to their water bottles in class and to the water fountains in the playground. Staff will encourage children to drink more water than usual in hot weather.

## Class Group Photo's & Year 6 individual photo's

Class Group photographs will be taken on Tuesday 24th June 2025. The Year 6 pupils will also have their individual photo's taken for their leavers book.

Children should come to school in their summer uniforms and bring their PE t-shirts and shorts with them to change into.

## Catholic Life and Mission of the school

### This coming Sunday, 22nd June is the Feast of Corpus Christi (the Most Holy Body and Blood of Christ).

This Feast is usually celebrated on Thursday after the Feast of the Most Holy Trinity and this took place yesterday in a lot of countries around the world. In some countries, it is a Bank Holiday so that people can attend Holy Mass and Corpus Christi processions. In England the Feast of the Corpus Christi is celebrated on Sunday after the Most Holy Trinity (this coming Sunday).

We had the Votive Corpus Christi Mass in church yesterday. As always, the children took active part in the Holy Mass through altar serving, Reading the Word and Bidding Prayers as well as through their beautiful singing throughout the Mass.

The parishioners have, again commented on how wonderful it is to celebrate the Mass with the school and they praised our children for their amazing singing ('angel voices') and also for their reverence and behaviour.

### Second reading, a reading from the 1st Letter of St Paul to the Corinthians

This is what I received from the Lord, and in turn passed on to you: that on the same night that he was betrayed, the Lord Jesus took some bread, and thanked God for it and broke it, and he said, 'This is my body, which is for you; do this as a memorial of me.'

In the same way he took the cup after supper, and said, 'This cup is the new covenant in my blood. Whenever you drink it, do this as a memorial of me.' Until the Lord comes, therefore, every time you eat this bread and drink this cup, you are proclaiming his death.

This half term we are looking at the school value of **Tolerance** and the Catholic Social Teaching Principle of **Common Good**. These two important themes will be recurring throughout all areas of our curriculum.

**Tolerance** refers to the ability to accept and respect differences in opinions, beliefs, or behaviours of other people, even if they differ from one's own.

It is the ability to live together in harmony despite our divergences. Being tolerant involves being understanding, open, and respectful towards the diversity of ideas, cultures, religions, and ways of life.

It does not imply agreeing with everything, but rather seeking constructive [dialogue](#) and avoiding attitudes of rejection or discrimination. Tolerance p

romotes peaceful coexistence and fosters mutual understanding in a diverse and plural society.

The Catholic Social Teaching (CST principle of the **Common Good** refers to the social conditions that allow all individuals and communities to flourish and reach their full potential. It's a central idea in CST, closely linked to **Human Dignity and Social Justice**. The Common Good emphasizes shared responsibility for ensuring the well-being of everyone, especially the most vulnerable.

# A message regarding Attendance and Punctuality from Ms Hampton

Dear Parents/Carers,

## Attendance & Punctuality

### Re: Attendance & Punctuality

Excellent attendance is fundamental to an excellent education. Our Attendance policy follows the policy outlined by the Education Secretary, stating that children are not to be absent from school for holidays or other non-essential reasons during term time. Only in exceptional or mitigating circumstances will an absence be approved.

#### Illness

If your child is unwell and unable to attend school or absent from school for any reason, please phone the school on 0208 2053790 before 8.40 am.

We have an answerphone where you can leave a message before the office opens, please speak clearly with your child's name, class and the reason your child is unwell.

You can use the absence line from 8.00am to speak to a member of the office.

If we do not receive any information from a parent/carer in the morning, we will contact parents/carers asking them to phone the school. If we do not hear from you we will pursue all contacts regarding a child's absence as part of our safeguarding procedures. Please leave a message by 9.00 am each day of their absence.

If your child has either vomiting or diarrhea, they should stay at home for 48 hours from the last bout of illness. This is a recommendation from Public Health England to protect other pupils and staff. If a child is sent into school within the 48 hour period, we will contact the parents/carers and ask for the child to be collected from school.

Any absence can result in a loss of continuity for your child's education and upset their balance of learning. As a school, we are required to provide details of all unauthorised absences to the Local Authority.

#### Medical and Dental appointments

We ask that you please make every effort to avoid booking medical and dental appointments during school time. Where this is unavoidable, parents/carers should put this in writing to the school office and attach a copy of the appointment card or letter before the date of the appointment. Please also include the time you will need to collect your child. If arriving late, please ensure that your child is accompanied and signed in by an adult at the school office for safeguarding reasons.

#### Other Absences

Requests for absence during term time will not be authorised unless there is deemed to be an exceptional circumstance. Local Authorities have the power to serve parents with a Fixed Penalty Notice if a child has significant or repeated days of unauthorised absence.

#### Being Punctual

**School starts at 9.00 a.m. every day. Children need to be in their classrooms by 9 a.m. so that they can start their lessons promptly.** Arriving at school on time and ready to learn is the best start to the day for our children.

It is important for your child to arrive at school on time if they are to get the most out of their education. Being late is disruptive for your child but also for all the other children in the class.

### **Punctuality**

5 minutes late every day means missing 3 days of school every year.

**Punctuality is continually monitored. The gates open 15 minutes before the school day begins. If your child arrives after this time, then they will be recorded as late in the register!**

Attendance is regularly monitored by the local authority **who will fine any unauthorised absences.**

---

## **Expectation of children being collected at the end of each day**

We expect all parents/carers to collect their children on time. Once the gates have closed, the children who have not been collected are brought into the office. If there are exceptional circumstance which are causing a delay, please contact the office immediately.

We do not have capacity to look after any children who are not picked up after that time.

As you are aware, the office gets very busy and the children cannot be left unsupervised in the reception area as it might pose the safety risk.

Please, ensure that you have arrangements in place to pick up your children on time.

Aktiva, the company running Wrap-Around Care in the RBKC North Hub in Ark Brunel, does take one-off bookings, so please feel free to use their services in emergencies.

Avenues Youth Project offer after school activities and a Walking Bus service, where they collect the children at the end of the day. Please see the information below on how to sign your child up.

# Important Parents' Information

## Uniform

Thank you to the vast majority of our pupils who wear their full school uniform. We have noticed that quite a few children do not have their ties whilst at school. Please, note that the school tie is part of our school uniform. Could you, please ensure that your child wears the tie to school every day,

Pupils should be wearing **school shoes** when they are not wearing trainers as part of their PE uniform. Quite a few pupils are wearing colourful trainers, which are **not** part of the uniform, and we ask that you kindly check with your child and make sure they wear full school uniform, which includes black shoes.

Please note that if for any reason your child is not in full school uniform or full PE kit, we expect a note from parents to explain why this is the case.

## Jewellery and Expensive items

As part of our school uniform, the children are allowed to wear small studs. Any long, dangling earrings might be the cause of accidents and therefore are not allowed.

If children wear necklaces with any religious symbols, please, make sure that your child is aware that these need to be tucked under the clothing for health and safety reasons.

As you are aware, we advise that children do not bring any expensive items to school, as we **cannot take responsibility for loss or damage**. Only children in Y5 and Y6, who have permission to walk to and from school on their own, can bring phones to school. However, they have to hand them in at the gate and pick them up from their teachers at the end of the day. During school hours the phones are stored in the safe.

Pandora bracelets as well as other bracelets and necklaces or "smart" watches are **not allowed** as they can create a health and safety hazard. In addition, they are often expensive or hold sentimental value.

Additionally, as "smart" watches are connected to other devices via the Internet, they are therefore **not allowed at school for safeguarding reasons**. This is in line with government and local authority guidelines and we ask parents to help us ensure that these guidelines are followed.

If you have any questions about any of the information above, please contact the office to make an appointment with a member of Senior Leadership Team.

Thank you for your support with these important issues.

## Attendance

Congratulations to all the pupils who achieved 100% attendance this week!

Our overall attendance is the same as last week is **92.08%**. This is extremely low and as a school community, we need to do much better. Our school target is **96.00%**.

If required we will arrange to meet with parents, to draw their attention to their children's absence. There is a strong correlation between school attendance and pupil outcomes. Please ensure your child is at school unless they are ill.

### **Holiday during term time**

The government policy is that holidays during term times are not permitted, therefore the school **cannot authorise** any absence due to holidays during term times. If you take your child/ren out of school for a holiday during term time, they will be referred to the Local Authority if necessary. Please note this for any plans you are making for the new academic year 2024-25. The Department for Education expects parents/carers to organise holidays outside of the school term dates. Your child/ren's learning will suffer by taking them out of school and it may result in disruptions to the learning of others. We have already referred some families to the local authority who will issue a penalty notice.

### **Contacts**

It is a requirement that the school has a minimum of **2 emergency telephone contact numbers** for your child. We need to be able to contact you at all times. Our admin team, endeavour to update our data systems with your details termly. This is essential for the wellbeing of your children and we need your help to ensure that you are contactable at all times. If there are any changes for 2024-25, please ensure you contact the school office at the beginning of the new academic year.

## **Look what we have been doing -Early Years & Key Stage 1**

This week Early Years have been reading a story called 'The Naughty Bus'. We have had such fun, building buses, drawing different types of transport and even making buses using junk modelling.

### **EARLY YEARS**

It has been so lovely having some joint learning this week while Reception class have been having some assessments. To end the week and keep cool we have been celebrating with lots of ice lollies and water play outside in our wonderful play area.

This week Year 1 created their very own stain glass windows as part of their R.E learning.

We also made the most of this glorious weather and took our phonics lesson outside!

# Year 1

In Science we have started our new unit on Plants. The children have planted broad bean seeds and we will be observing them closely over the next few weeks to watch them germinate and develop into plants.

# Year 2

The children are writing diaries to record their observations.

## Avenue Youth Project Primary AfterSchool Provision

You can now sign up to the Avenue Youth Project for Afterschool Provision, they also provide a walking Bus Service.

The flyer is divided into four main sections: Route Details, A Walking Bus Service, Term Time, and What We Offer. The 'A Walking Bus Service' section features a photo of a walking bus with children and adults. The 'Term Time' section includes a table titled 'WHAT'S ON FOR JUNIORS' with columns for Year 1, Year 2, Year 3, Year 4, Year 5, and Year 6. The 'What We Offer' section lists 'HOLIDAYS' with sub-sections for Spring Term, Summer Term, and Autumn Term, each with a list of activities. The footer includes the website 'www.avenues.org.uk/zoneclubs' and the 'THE AVENUES YOUTH PROJECT' logo.

**ROUTE DETAILS**  
The walking bus journey begins at St Mary's Primary School main entrance, where children assemble at 3:15 PM. The route takes approximately 10 minutes, with arrival at The Avenues by 3:25. The journey includes four key crossing points, featuring a road crossing on East Row, another by the park on Kersall Road, followed by a zebra crossing which takes you to the bridge, providing access to Harrow Road. At Harrow Road, the group will cross at the traffic lights and cross again onto Third Avenue.  
[See Route Here](#)

**A WALKING BUS SERVICE**  
To establish a safe and supervised walking bus service connecting St Mary's Primary School, St Charles Primary School, and The Avenues Youth Project. The walking bus will ensure students in Years 3-6 can access quality after-school activities through reliable, supervised walking routes between the schools and after-school service.  
The walking bus addresses the current financial barrier of £15 per day after-school club costs which has limited student participation. The service will incorporate road safety education as an important part of the daily journey.  
The walking bus builds on the existing relationship between St Mary's and the Avenues while expanding the reach to include St Charles Primary. Through this coordinated approach, the walking bus will transform access to the Avenues after school activities, making them easily accessible to all students regardless of their families' employment status.!
