Newsletter - Friday 02nd October 2026

Message to parents from Ms Hampton

Welcome to issue 4 of our Newsletter.

Dear Parent/Carer,

I hope you have had a good week.

Our ongoing activities and events, scheduled throughout the month of October linked to Harvest time, Black History and the Rosary, are keeping your children very busy.

This time of year also allows our community to revisit the theology around the Common Good through our charitable works so our children have an understanding of why they are called to serve others. You will be aware that we support many charities including 'Macmillan Cancer Support', 'CAFOD', 'Save the Children UK' and as always, we thank you for your ongoing kindness and generosity.

Harvest is the season for giving thanks and this year, we will be hosting our second annual afternoon tea event for our Grandparents' and Grand aunts and Grand uncles. We know that many of our grandparents, grand aunts and uncles provide incredible support to many pupils in our schools and this event gives our children a chance to say thank you. A separate letter will be sent out next week. Numbers are limited so please sign up early.

I am also delighted to hear that many of our children will meet regularly during the month of October to pray the Rosary in honour of Our Lady and also to pray for people across the world who are currently experiencing trauma, isolation and tragedy.

You may remember that the Year of St Francis of Assisi was proclaimed by Pope Leo XIV from January 10, 2026, to January 10, 2027—to encourage us to reflect on the saint's life of humility,

peace, and care for the poor and creation. The children have been involved in different projects and in November, both schools in the Federation, St Charles and St Mary's, will attend a joint Mass together at Our Lady of The Holy Souls Church, as a mark of thanks and celebration. We will share more information nearer the time.

Thank you for your continued support and kindness,

Wishing you a very happy and restful weekend.

Ms Hampton

Catholic Life and Mission of the school

'Practise these things, and the God of peace will be with you.'

Brothers and Sisters: Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus.

Finally, brothers and sisters, whatever is true, whatever is honourable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise: think about these things. What you have learned and received and heard and seen in me – practise these things, and the God of peace will be with you.

From the Letter of St Paul to the Philippians 4:6-9

I chose you out of the world, says the Lord,
that you should go and bear fruit, and that your fruit should abide.

John 15:16

Special Feast in the Catholic Liturgical Calendar in autumn:

October Feasts

October 1: St. Thérèse of Lisieux, the "Little Flower" and Doctor of the Church.

October 2: Feast of the Guardian Angels.

October 4: St. Francis of Assisi, patron saint of animals and the environment.

October 7: Our Lady of the Rosary (marking October as the month of the Holy Rosary).

October 31: All Hallows' Eve, kicking off the transition to November.

November Feasts

November 1: All Saints' Day (a major solemnity honouring all in heaven).

November 2: All Souls' Day (commemorating the faithful departed).

November 22: Solemnity of Christ the King

Our School Value for this half term is **Responsibility** and the matching Catholic Social Teaching Principle is Stewardship – **Caring for our Common Home.**

We will be exploring thinking about how each and every one of us can show responsibility in caring for and protecting our planet.

Updated - ICT, Photography and Online Safety Permissions form

Dear Parents and Carers, please ensure that you return the updated permission form for each one of your children as soon as possible.

Thank you for your cooperation

St Mary's Catholic Primary School

E-Safety, Photography and Digital Images Agreement

Child's name: _____ Class _____

Part 1 - Permission to use the Internet and digital technology

As the parent or legal guardian of the above pupil, I give permission for my child to access and use the Internet, email (KS2) and other digital and ICT facilities provided by the school as part of their learning.

I understand that, although the school takes reasonable steps to keep pupils safe online, it cannot guarantee that all material available on the Internet is appropriate or that every risk can be prevented.

The school will take reasonable precautions to protect pupils, including the use of appropriate filtering and monitoring systems, restricted-access email and digital services, appropriate teaching and supervision, and the teaching of online safety.

I understand that the school may monitor my child's use of school devices, systems and Internet services, including the websites and online services they access, in accordance with the school's filtering, monitoring, safeguarding and data protection arrangements.

I will support the school by promoting safe and responsible use of the Internet and digital technology at home and will inform the school if I have any concerns about my child's online safety.

I give permission for my child to use the Internet and digital technology at school. ☐

I do not give permission for my child to use the Internet and digital technology at school. ☐

Part 2 - Use of Images (photographs, video, digital and physical)

I agree to the school taking photographs and/or making video recordings of my child for appropriate educational, school, publicity and communication purposes as described below.

Photographs and videos may be used:

- as part of learning and educational activities e.g. in children's workbooks;
- in classroom and school displays;
- in school presentations and assemblies;
- to celebrate pupils' achievements e.g. in the School's newsletters, on the school website, in the school prospectus and promotional posters shown externally;
- on the St Charles Catholic Primary School website;
- on the school's official social media accounts, including Facebook and Instagram;
- in external media, local newspapers and local authority campaigns
- in Class and School photos sold to other parents/carers

Attendance and Punctuality

We greatly appreciate your support in helping your child attend school regularly and arrive on time, ready to learn, enjoy the day and make the most of every opportunity.

Please take a moment to refer to our **recent attendance letter**, which shares our school's expectations and further information.

Dear Parents/Carers,

Attendance and Punctuality at St Mary's Catholic Primary School

As we begin the new academic year, we would like to highlight the importance of excellent attendance and punctuality, and the significant impact they have on your child's achievement, progress and future opportunities.

At St Mary's Catholic Primary School, we want every child to achieve their full potential. Excellent teaching, hard work and support at home all play an important role. However, there is a simple starting point:

"We cannot teach your child if they are not here."

A Day of Absence Quickly Adds Up

It can be easy to think that an occasional day away from school will make little difference. However, when absences are repeated throughout the year, a significant amount of education can be lost.

- 1 day missed every week = 38 days missed, almost 8 weeks of school
- 1 day missed every fortnight = 19 days missed, almost 4 weeks of school
- Around 1 day missed each month = 10 days missed, approximately 2 weeks of school
- 5 days missed during the year = 1 full week of school missed

This is why 90% attendance is not considered good attendance. Although 90% may sound positive, it means that approximately four weeks of school have been missed in a single academic year.

Every missed day means more than simply having work to catch up on. Your child may miss new learning, teacher explanations, opportunities to practise key skills and important feedback. The more school a child misses, the more difficult it can be to close these gaps in learning. Our school performance data from the last academic year shows that children with strong attendance achieve better outcomes.

Medical Evidence and Appointments

In the majority of cases, when you inform us that your child is too ill to attend school, your notification will be sufficient. We will only request medical evidence to support and authorise an absence when we are concerned about levels of absence or have genuine and reasonable doubts regarding the authenticity of the illness. We appreciate your co-operation if our staff request supporting evidence.

We would also like to remind parents and carers that, wherever possible, medical appointments should be arranged outside of the school day to minimise disruption to learning. If your child must attend a medical appointment during school hours, please ensure that they miss the least amount of learning time possible.

Punctuality Matters Too

The school gates open at 8:45am and the register is taken at 9:00am. We ask parents and carers to ensure that pupils arrive in good time so that they are ready to begin the school day promptly and positively. Our Free Breakfast Club is offered from 7.45am every day. You need to register your child for this in advance using Arbor. Please speak to the school office if you require any assistance.

Parent Quote "You have made my mornings so much easier. I don't need to think of what to make for breakfast. I just bring my children to school breakfast club. Thankyou"

Thank you for your continued support and co-operation in helping us maintain high standards of attendance and punctuality at St Mary's Catholic Primary School.

Yours Sincerely,

Miss Browne (Assistant Head / Attendance Lead), Mrs Cummings and Ms Hampton (Attendance team)

We Love to Read

Dear Parents and Carers,

To continue supporting your child in developing the love of reading during the Year of Reading 2026, we invite you all to choose a **book, magazine, newspaper, comic or anything else you enjoy reading**, find an **unusual place to read it**, and share a photo with us! Perhaps you could read on a swing, a slide or a trampoline, under a table, on the branch of a tree, while waiting in a queue, on a train, in the park – or somewhere even more imaginative!

For safeguarding purposes, when taking photographs of children, **please avoid showing your child's face clearly from the front**. Photographs taken from behind, from the side, or creatively showing the book and reading location without identifying your child would be perfect.

Please send your photographs to info@st-marys.rbkc.sch.uk.

We can't wait to see all the wonderfully unusual places you choose and hope that this challenge encourages everyone – children and adults alike – to discover (or rediscover!) the **joy of reading**. **Where will your book take you?**

Safeguarding Information

Safeguarding remains our highest priority, and we continue to work closely with staff, pupils and families to ensure that all children are safe, both in school and online.

As part of our commitment to online safety, we are subscribing to *Wake Up Wednesday*. **Wake up Wednesday** is a national campaign by 'National Online Safety' which has been designed to inform and help parents understand the dangers and the attraction of different types of online activity. It covers everything from social media platforms, gaming and online gaming, mobile and iPad security and much more.

Online Safety Tips For Families

Safeguarding remains our highest priority, and we continue to work closely with staff, pupils and families to ensure that all children are safe, both in school and online.

As shared in the previous Newsletters, part of our commitment to online safety, we are subscribing to *Wake Up Wednesday*.

Look what we have been doing - Key Stage 2

It has been a busy and exciting few weeks in Year 3!

Year 3

We have been basing our English learning around Gorilla by Anthony Browne. The children have produced some beautiful character descriptions of Hannah, thinking carefully about precise vocabulary, expanded noun phrases and how to bring a character to life.

We are now building towards writing our own exciting narratives in the third person, using everything we have learnt. In Science, We took the learning outside and explored forces, investigating pushes and pulls and seeing these forces in action. The children enjoyed getting hands-on and thinking scientifically about how and why objects move. We are so impressed with the enthusiasm and creativity the children have shown in their learning!

In Science, Year 4 have been learning about States of Matter. Over the last two weeks, we have carried out various enquiries in relation to how solids, liquids and gases change state and we have also learned how the particles in solids, liquids and gases behave.

Year 4

In the pictures below, in their table groups the children are showing how particles in solids, liquids and gases behave.

This week, Year 5 has placed a strong emphasis on Online Safety. Following their engaging Break Foundation workshop, pupils have been learning how to use search engines safely and effectively.

Year 5

They have applied these new skills to their Geography research, investigating mountains and hills across the United Kingdom and developing their ability to find useful and reliable information online.

Year 6

The class took part in an IntoUniversity week-long workshop where they explored the theme of Environmental Science. The children delved deeper into the areas of sustainability, climate change, activism and the benefits of renewable energy sources. There was a wonderful trip to Kew Gardens where children learned about horticulture and the pollination process.

They also had sessions on the various routes they could take at University and the options available depending on their interests. The children completed the week with the unique experience of visiting Oxford University to showcase their special performances. We are proud to say that the class represented themselves and the school beautifully all week.

Breakfast Club runs from 7.45am from Monday to Friday child, for children from Reception to Y6. Before your child/ren attends Breakfast Club, please ensure you register your child on Arbor.

If you have any issues with registering your child, please contact the school office.

Avenue Youth Project Primary AfterSchool Provision

You can now sign up to the Avenue Youth Project for Afterschool Provision, they also provide a walking Bus Service.

The banner is divided into three main sections. The left section, titled 'ROUTE DETAILS', describes the walking bus journey from St Mary's Primary School to The Avenues (up to 45). It mentions a 10-minute journey with a small crossing on East Road, a park on Kersall Road, and a bridge crossing which takes you to the bridge, providing access to Harrow Road. At Harrow Road, the group will cross at the traffic lights and cross again onto Third Avenue. A link 'See Route Here' is provided. The middle section, titled 'A WALKING BUS SERVICE', features a photo of a walking bus with children and adults. It states the purpose is to establish a safe and supervised walking bus service connecting St Mary's Primary School, St Charles Primary School, and The Avenues Youth Project. It also mentions that the walking bus will ensure students in Years 3-6 can access quality after-school activities through reliable, supervised walking routes between the schools and after-school service. The right section, titled 'WHAT WE OFFER', includes a 'TERM TIME' table for 'WHAT'S ON FOR JUNIORS' and a 'HOLIDAYS' section. The 'HOLIDAYS' section includes 'SPRING TERM', 'SUMMER TERM', and 'AUTUMN TERM' with details on activities and booking. The 'SCHOOL HOLIDAYS' section includes 'EASTER - 10 APRIL', 'EASTER - 11 APRIL', and 'EASTER - 12 APRIL' with details on activities and booking. The banner also includes a link 'For more info go to our webpage: www.avenues.org.uk/zoneclubs' and the 'THE AVENUES YOUTH PROJECT' logo.

ROUTE DETAILS
The walking bus journey begins at St Mary's Primary School main entrance, where children assemble at 3:15 PM. The route takes approximately 10 minutes, with arrival at The Avenues (up to 45). The journey includes a small crossing on East Road, another by the park on Kersall Road, followed by a bridge crossing which takes you to the bridge, providing access to Harrow Road. At Harrow Road, the group will cross at the traffic lights and cross again onto Third Avenue.
[See Route Here](#)

A WALKING BUS SERVICE
To establish a safe and supervised walking bus service connecting St Mary's Primary School, St Charles Primary School, and The Avenues Youth Project. The walking bus will ensure students in Years 3-6 can access quality after-school activities through reliable, supervised walking routes between the schools and after-school service.
The walking bus addresses the current financial barrier of £15 per day after-school club costs which has limited student participation. The service will incorporate road safety education as an important part of the daily journey.
The walking bus builds on the existing relationship between St Mary's and the Avenues while expanding the reach to include St Charles Primary. Through this coordinated approach, the walking bus will transform access to the Avenues after-school activities, making them easily accessible to all students regardless of their families' employment status.
