Newsletter - Friday 09th October 2026

Message to parents from Mrs Tusting

Welcome to issue 4 of our Newsletter.

Dear Parent/Carer,

What another busy, exciting and productive week we have had at St Mary's! It has been wonderful to see our children so engaged in their learning, growing in confidence and making the most of the many opportunities available to them.

Our **Pupil Voice groups** continue to go from strength to strength, with children enthusiastically sharing their ideas and taking an active role in making St Mary's an even better place for everyone. Their commitment to helping create a school where every child feels safe, happy, valued and settled, and where everyone has the opportunity to flourish and achieve their very best, is truly inspiring. We are very proud of their growing sense of responsibility and willingness to make a positive difference to our school community.

We are also delighted to see that **attendance is improving across the school**. A huge congratulations to our Nursery children, who have once again achieved an amazing **100% attendance**, with Year 4 following very closely at an impressive **99%**! Well done to both classes! Thank you to all our families for your continued support in ensuring that children attend school regularly and arrive on time. Every school day brings valuable opportunities for learning, developing friendships and building confidence, and we encourage everyone to keep up the fantastic effort.

On Monday, a group of our **Eco Councillors and Faith Ambassadors** visited St Charles to lead a special assembly on *Stewardship of the Earth*, as part of our celebrations of the **Year of St Francis**. Our children shared their important messages with clarity, confidence and enthusiasm, reminding

everyone of our shared responsibility to care for God's wonderful creation. They concluded their assembly with a meaningful song, which the pupils of St Charles enthusiastically joined in with. At the same time, our children had the lovely opportunity to listen to an assembly about the Year of St Francis, presented by St Charles' Chaplains. It was a wonderful example of our two school communities coming together, sharing their faith, learning from one another and inspiring each other to put Gospel values into action.

We were also treated to a **fantastic Year 4 assembly** yesterday, focusing on *Care for Creation and Our Common Home*, alongside our school value of **Responsibility**. The children presented their messages beautifully, with confidence, thoughtfulness and a real understanding of the importance of looking after our world and one another. Well done, Year 4! We are so proud of you!

As we reflect on another busy week, it is lovely to see our children not only developing their knowledge and skills but also growing as caring, responsible and thoughtful young people. These moments remind us of what makes St Mary's such a special community.

Thank you, as always, to our wonderful staff, children and families for your continued support, enthusiasm and commitment to our school.

Wishing you all a peaceful, happy and restful weekend!

Mrs Tusting

Catholic Life and Mission of the school

In the Lord's own house shall I dwell for length of days unending.

The Lord is my shepherd; there is nothing I shall want.

Fresh and green are the pastures, where he gives me repose.

Near restful waters he leads me; He revives my soul.

Psalm 23:1-3

Special Feast in the Catholic Liturgical Calendar in autumn:

October Feasts

October is the month of the Holy Rosary

October 7: Our Lady of the Rosary (marking October as the month of the Holy Rosary).

October 31: All Hallows' Eve, kicking off the transition to November.

November Feasts

November 1: All Saints' Day (a major solemnity honouring all in heaven).

November 2: All Souls' Day (commemorating the faithful departed).

November 22: Solemnity of Christ the King

Our School Value for this half term is **Responsibility** and the matching Catholic Social Teaching Principle is Stewardship – **Caring for our Common Home**.

We will be exploring thinking about how each and every one of us can show responsibility in caring for and protecting our planet.

Grand Relatives – Grandmas, Grandads, Grand Aunts and Grand Uncles are invited to Afternoon Tea (**no parents on this occasion please**) St Mary's afternoon for Gran Relatives will take place on Wednesday 21st October 2026 at 1.45pm.

Afternoon Tea RSVP

As we prepare to celebrate Harvest at St Mary's, we are reminded of the importance of giving thanks for all that we have and of sharing with those in our community who may be experiencing difficult times.

We would be very grateful if families could support our Harvest Collection by sending in a donation of non-perishable food. Suitable items might include tinned food, pasta, rice, cereals, tea, coffee, biscuits and other long-life products.

Updated - ICT, Photography and Online Safety Permissions form

Dear Parents and Carers,

Last week updated permission forms were distributed to all the children, please ensure the form is completed and returned to the school office as soon as possible.

Thank you for your cooperation

St Mary's Catholic Primary School
E-Safety, Photography and Digital Images Agreement
Child's name: _____

Part 1 - Permission to use the Internet and digital technology

As the parent or legal guardian of the above pupil, I give permission for my child to access and use the Internet, email (32) and other digital and ICT facilities provided by the school as part of their learning.

I understand that, although the school takes reasonable steps to keep pupils safe online, it cannot guarantee that all material available on the Internet is appropriate or that every risk can be eliminated.

The school will take reasonable precautions to protect pupils, including the use of appropriate filtering and monitoring systems, restricted access email and digital services, appropriate teaching and supervision, and the teaching of online safety.

I understand that the school may monitor my child's use of school devices, systems and internet services, including the websites and online services they access, in accordance with the school's filtering, monitoring, safeguarding and data protection arrangements.

I will support the school by promoting safe and responsible use of the Internet and digital technology at home and will inform the school if there are any concerns about my child's online safety.

I give permission for my child to use the Internet and digital technology at school. ☐

I do not give permission for my child to use the Internet and digital technology at school. ☐

Part 2 - Use of Images (photographs, video, digital and physical)

I agree to the school taking photographs and/or making video recordings of my child for appropriate educational, school, publicity and communication purposes as described below.

Photographs and videos may be used:

- as part of learning and educational activities e.g. in children's workbooks;
- in classrooms and school displays;
- in school presentations and assemblies;
- to celebrate pupils' achievements e.g. in the school's newsletters, on the school website, in the school prospectus and promotional posters shown externally;
- on the St Charles Catholic Primary School website;
- on the school's official social media accounts, including Facebook and Instagram;
- in external media, local newspapers and local authority campaigns;
- in Class and School photos sold to other participants.

Attendance and Punctuality

We greatly appreciate your support in helping your child attend school regularly and arrive on time, ready to learn, enjoy the day and make the most of every opportunity.

Please take a moment to refer to our **recent attendance letter**, which shares our school's expectations and further information.

Dear Parents/Carers,

Attendance and Punctuality at St Mary's Catholic Primary School

As we begin the new academic year, we would like to highlight the importance of excellent attendance and punctuality, and the significant impact they have on your child's achievement, progress and future opportunities.

At St Mary's Catholic Primary School, we want every child to achieve their full potential. Excellent teaching, hard work and support at home all play an important role. However, there is a simple starting point:

"We cannot teach your child if they are not here."

A Day of Absence Equals A Mile Up

It can be easy to think that an occasional day away from school will make little difference. However, when absences are repeated throughout the year, a significant amount of education can be lost.

- 1 day missed every week = 10 days missed, almost 2 weeks of school
- 1 day missed every fortnight = 20 days missed, almost 4 weeks of school
- Around 1 day missed each month = 12 days missed, approximately 2 weeks of school
- 1 day missed during the year = 1 full week of school missed

This is why 90% attendance is not considered good attendance. Although 90% may sound positive, it means that approximately four weeks of school have been missed in a single academic year.

Every missed day means more than simply being away from school. Your child may miss new learning, teacher explanations, opportunities to practise key skills and important feedback. The more absent a child is, the more difficult it can be to keep them on track in learning. Our school performance data from the last academic year shows that children with strong attendance achieve better outcomes.

Medical Evidence and Appointments

In the majority of cases, when you inform us that your child is too ill to attend school, your notification will be sufficient. We will only request medical evidence to support and substantiate an absence when we are concerned about levels of absence or have genuine and reasonable doubts regarding the authenticity of the absence. Please provide your co-operation if our staff request supporting evidence.

We would also like to remind parents and carers that, whenever possible, medical appointments should be arranged outside of the school day to minimise disruption to learning. If your child must attend a medical appointment during school hours, please ensure that they miss the least amount of learning time possible.

Punctuality Matters Too

The school gates open at 8.45am and the register is taken at 9.00am. We ask parents and carers to ensure that pupils arrive in good time so that they are ready to begin the school day promptly and positively. Our new Breakfast Club is offered from 8.45am every day. You need to register your child for this in advance using Home. Please send this to school office if you require any support.

Parent Quote "You have made my mornings so much easier. I don't need to think of what to make for breakfast. I just bring my children to school breakfast club. Thankyou!"

Thank you for your continued support and co-operation in helping us maintain high standards of attendance and punctuality at St Mary's Catholic Primary School.

Yours Sincerely,

Mrs Browne (Assistant Head / Attendance Lead), Mr Cummings and Mr Houghton (Attendance Team)

Black History Month of October

This October, we will be celebrating Black History Month across the school.

This year's theme is "**Honouring Our Communities**", and throughout the month the children will be learning about the people, stories, cultures and histories that have helped to shape and strengthen our communities.

We Love to Read

Dear Parents and Carers,

To continue supporting your child in developing the love of reading during the Year of Reading 2026, we invite you all to choose a **book, magazine, newspaper, comic or anything else you enjoy reading**, find an **unusual place to read it**, and share a photo with us! Perhaps you could read on a swing, a slide or a trampoline, under a table, on the branch of a tree, while waiting in a queue, on a train, in the park – or somewhere even more imaginative!

For safeguarding purposes, when taking photographs of children, **please avoid showing your child's face clearly from the front**. Photographs taken from behind, from the side, or creatively showing the book and reading location without identifying your child would be perfect.

Please send your photographs to info@st-marys.rbkc.sch.uk.

We can't wait to see all the wonderfully unusual places you choose and hope that this challenge encourages everyone – children and adults alike – to discover (or rediscover!) the **joy of reading**.

Where will your book take you?

Safeguarding Information

Working Together to Keep Children Safe Online

Keeping our children safe online remains an important priority at St Mary's. In school, we have robust filtering and monitoring systems in place to help protect children from inappropriate online content, and we regularly teach pupils how to use technology safely and responsibly. Every computing topic begins with an online safety lesson, and we recently welcomed the Breck Foundation, who delivered valuable, age-appropriate online safety workshops across the school.

We know that children increasingly access the online world beyond school, and we greatly value our partnership with parents in helping them navigate it safely. We encourage families to make use of parental controls, regularly check the apps, games and websites their children are accessing, and, most importantly, keep conversations about online safety open and positive.

By working together, sharing concerns and helping children understand both the opportunities and risks of the digital world, we can support them in becoming confident, responsible and safe online users.

Thank you for your continued support in keeping all our children safe.

Google Family Link

For children with Android devices, Google Family Link is a great way for parents to set restrictions. Internet Matters have released a brand-new YouTube video showing how to set up Google Family Link to customise content and screen time restrictions.

We encourage families to engage with these resources and to work in partnership with us to promote safe, respectful and responsible online behaviour, in line with our Catholic values of care, dignity and responsibility.

We would like to share some important dates for the Autumn Term with you. We will also be adding some more dates and will share them with you soon, so please keep checking the Newsletter and the Parents' Information Board on the front gate.

Look what we have been doing - Key Stage 2

The past fortnight EYFS have been learning all about the God's creation. Part of our learning is to show love and respect for all things made.

EARLY YEARS

We have been busy gardening, cleaning our playground and evening looking after some lovely little bugs.

Y1 & Y2

To deepen their understanding of number structures, Year 1 and 2 investigated part-part-whole models. Through this hands-on math lesson, the children learned how a single whole number can be flexibly partitioned into smaller amounts.

In our RE lesson, we planted daffodil bulbs to look after our environment. We wanted to help care for nature and make God's world beautiful.

Breakfast Club

Breakfast Club runs from 7.45am from Monday to Friday child, for children from Reception to Y6. Before your child/ren attends Breakfast Club, please ensure you register your child on Arbor.

If you have any issues with registering your child, please contact the school office.

Avenue Youth Project Primary AfterSchool Provision

You can now sign up to the Avenue Youth Project for Afterschool Provision, they also provide a walking Bus Service.

ROUTE DETAILS

The walking bus journey begins at St Mary's Primary School main entrance, where children assemble at 3.15 PM. The route takes approximately 10 minutes, with arrival at The Avenues by 3.45. The journey includes four key crossing points, featuring a small crossing on East Road, another by the park on Harrow Road, followed by a zebra crossing which takes you to the bridge, providing access to Harrow Road. At Harrow Road, the group will cross at the traffic lights and cross again onto Third Avenue.

[See Route Here](#)

A WALKING BUS SERVICE

To establish a safe and supervised walking bus service connecting St Mary's Primary School, St Charles Primary School, and The Avenues Youth Project, the walking bus will ensure students in Years 3-6 can access quality after-school activities through reliable, supervised walking routes between the schools and after-school service.

The walking bus addresses the current financial barrier of £10 per day afterschool club costs which has limited student participation. The service will incorporate road safety education as an important part of the daily journey.

The walking bus builds on the existing relationship between St Mary's and the Avenues while expanding the reach to include St Charles Primary. Through this coordinated approach, the walking bus will transform access to the Avenues after school activities, making them easily accessible to all students regardless of their families' employment status.
