Newsletter - Friday 14th November 2025

Message to parents from Ms Hampton

Dear Parent/Carers,

Welcome to issue 09 of our Newsletter.

This week, we have been talking about remembering, Remembrance Sunday and Armistice Day. The children gathered together for a two-minute silence on Tuesday 11th November to remember all those who have died in wars.

Whole school assemblies and services have taken place. In some classes, the children have also been sharing their memories of loved ones who are no longer with us and have been reflecting on their lives and achievements.

For those who have died

*Almighty and eternal God,
from whose love in Christ we cannot be parted,
either by death or life:
hear our prayers and thanksgivings
for all whom we remember this day;
fulfil in them the purpose of your love;
and bring us all, with them, to your eternal joy;
through Jesus Christ our Lord.
Amen*

For the Fallen, Laurence Binyon

*They shall grow not old, as we that are left grow old:
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning,
We will remember them.*

Although it's still only November, the children have had an early taste of Christmas this week when a travelling pantomime theatre group visited both schools.

This was a lovey treat for our children and well deserved following all their hard work and efforts last half term. Recent assessments demonstrate that children are progressing well and are enjoying their learning.

Thank you for your support and a huge thank you to all the staff for their hard work and dedication.

Wishing you a lovey weekend,

Best wishes,

Ms Hampton

Catholic Life and Mission of the school

Pope Leo XIV has now been our Pope, the Leader of the Catholic Church, for six months.

Pope Leo XIV has now been our Pope, the Leader of the Catholic Church, for six months.

He is known for being a kind leader who cares about helping people and making the church welcoming for everyone. He spent many years working as a missionary in Peru, where he helped people and learned about different cultures.

Now, he wants to help people in need, take care of the environment, and bring people from different cultures together.

Here are some of his more famous quotes:

"God loves us, God loves all, and evil will not prevail. We are all in God's hands. Therefore, without fear, united, holding hands with God and with each other, let us move forward".

"For if we remain in his love, he comes to dwell in us and our life will become a temple of God. His love enlightens us, influences the way we think and act, spreads outwards to others and embraces every situation in our lives"

"God's joy is not loud, but it truly changes history and brings us closer to one another".

Our School Value for this half term is **Respect** and the matching Catholic Social Teaching Principle is Stewardship – **Dignity of the Human Person**.

We will be exploring thinking about how each and every one of us deserves to live with dignity. As children of God we all deserve to be treated with respect at all times.

School Tie (compulsory)

A gentle reminder that all children in Reception to Year 6 are all expected to wear their school ties.

The St Mary's school tie gives the school its unique identity and this is something we want to preserve and promote throughout the local area.

New elasticated ties -

in response to parent and pupil feed back, we have decided to phase out clip on ties and replace them with elasticated ties. These are now available.

Staff will be checking to ensure that all school uniform criteria is followed.

Thank you for your support.

Important Parents' Information

Uniform

Thank you to the vast majority of our pupils who wear their full school uniform. We have noticed that quite a few children do not have their ties whilst at school. Please, note that the school tie is part of our school uniform. Could you, please ensure that your child wears the tie to school every day,

Pupils should be wearing **school shoes** when they are not wearing trainers as part of their PE uniform. Quite a few pupils are wearing colourful trainers, which are **not** part of the uniform, and we ask that you kindly check with your child and make sure they wear full school uniform, which includes black shoes.

Please note that if for any reason your child is not in full school uniform or full PE kit, we expect a note from parents to explain why this is the case.

Jewellery and Expensive items

As part of our school uniform, the children are allowed to wear small studs. Any long, dangling earrings might be the cause of accidents and therefore are not allowed.

If children wear necklaces with any religious symbols, please, make sure that your child is aware that these need to be tucked under the clothing for health and safety reasons.

As you are aware, we advise that children do not bring any expensive items to school, as we **cannot take responsibility for loss or damage**. Only children in Y5 and Y6, who have permission to walk to and from school on their own, can bring phones to school. However, they have to hand them in at the gate and pick them up from their teachers at the end of the day. During school hours the phones are stored in the safe.

Pandora bracelets as well as other bracelets and necklaces or "smart" watches are **not allowed** as they can create a health and safety hazard. In addition, they are often expensive or hold sentimental value.

Additionally, as "smart" watches are connected to other devices via the Internet, they are therefore **not allowed at school for safeguarding reasons**. This is in line with government and local authority guidelines and we ask parents to help us ensure that these guidelines are followed.

If you have any questions about any of the information above, please contact the office to make an appointment with a member of Senior Leadership Team.

Thank you for your support with these important issues.

Attendance

Congratulations to all the pupils who achieved 100% attendance this week!

Our overall attendance is the same as last week is **94.02%**. This is extremely low and as a school community, we need to do much better. Our school target is **96.00%**.

If required we will arrange to meet with parents, to draw their attention to their children's absence. There is a strong correlation between school attendance and pupil outcomes. Please ensure your

child is at school unless they are ill.

Holiday during term time

The government policy is that holidays during term times are not permitted, therefore the school **cannot authorise** any absence due to holidays during term times. If you take your child/ren out of school for a holiday during term time, they will be referred to the Local Authority if necessary. Please note this for any plans you are making for the new academic year 2024-25. The Department for Education expects parents/carers to organise holidays outside of the school term dates. Your child/ren's learning will suffer by taking them out of school and it may result in disruptions to the learning of others. We have already referred some families to the local authority who will issue a penalty notice.

Contacts

It is a requirement that the school has a minimum of **2 emergency telephone contact numbers** for your child. We need to be able to contact you at all times. Our admin team, endeavour to update our data systems with your details termly. This is essential for the wellbeing of your children and we need your help to ensure that you are contactable at all times. If there are any changes for 2024-25, please ensure you contact the school office at the beginning of the new academic year.

Look what we have been doing - Key Stage 2

Year 3 thoroughly enjoyed themselves at the pantomime in school this week.

Year 3

They really got into the show and much fun was had by all.

Our wonderful Year 4 children performed superbly in their assembly this week, reminding us of the history behind, and the meaning and solemnity of, Remembrance Day.

Year 4

In Year 5 we have enjoyed our first week back at swimming and also finished our third unit in Maths consolidating our knowledge in multiplication and division and are looking forward to lots more exciting learning this term!

Year 5

This week, Year 6 planned and conducted a scientific experiment focusing on the relationship between voltage and specific light sources.

Year 6

We thoroughly enjoyed the process and learned many new scientific techniques that will assist us in future sessions. In English, we wrote a detailed setting description based on the trenches during WW1 and used it as a platform to discuss the nature of Remembrance Day and what defines its cultural importance in this day and age.

Breakfast Club

Breakfast Club runs from 8am and will cost **£4** per child, per day for children from Reception to Y6. Before your child/ren attends Breakfast Club, please ensure you book the sessions and make the required payments first.!

This provision is only available to children from Reception to Year 6.
