Newsletter - Friday 16th January 2026

Message to parents from Mrs Tusting

Dear Parent/Carers,

Welcome to issue 18 of our Newsletter.

It has been another busy and positive period in school, and we are really proud of our pupils.

Despite the recent wet and wintry weather, children have continued to show positive attitudes to learning and behaviour across the school. Classrooms remain calm, purposeful and full of enthusiasm, with many pupils demonstrating our Catholic values through kindness, respect and care for one another.

It has been lovely to see children embracing their learning and taking pride in their work, both indoors and outdoors whenever the weather allows. Thank you, as always, to our dedicated staff for their hard work and commitment.

Safeguarding information

Safeguarding remains our highest priority, and we continue to work closely with staff, pupils and families to ensure that all children are safe, both in school and online.

As part of our commitment to online safety, we are subscribing to *Wake Up Wednesday*. **Wake up Wednesday** is a national campaign by 'National Online Safety' which has been designed to inform and help parents understand the dangers and the attraction of different types of online activity. It covers everything from social media platforms, gaming and online gaming, mobile and iPad security and much more.

In our Newsletters we will be sharing a weekly resource that provides up-to-date guidance on current online trends, apps and potential risks. These materials will support you in navigating the digital world safely and responsibly.

We encourage families to engage with these resources and to work in partnership with us to promote safe, respectful and responsible online behaviour, in line with our Catholic values of care, dignity and responsibility.

I hope all our families have a restful weekend

Best Wishes,
Mrs Tusting

Catholic Life and Mission of the school

This coming Sunday is the 2nd Sunday of Ordinary Time in Catholic Church

The Gospel for Sunday is the gospel reading by **John 1: 29 - 34**

'Behold, the Lamb of God, who takes away the sin of the world.'

At that time: John saw Jesus coming towards him, and said,

'Behold, the Lamb of God, who takes away the sin of the world! This is he of whom I said, "After me comes a man who ranks before me, because he was before me."

I myself did not know him, but for this purpose I came baptising with water, that he might be revealed to Israel.' And John bore witness: 'I saw the Spirit descend from heaven like a dove, and it remained on him. I myself did not know him, but he who sent me to baptise with water said to me, "He on whom you see the Spirit descend and remain, this is he who baptises with the Holy Spirit." And I have seen and have borne witness that this is the Son of God.'

Our School Value for this half term is **Kindness** and the matching Catholic Social Teaching Principle is **Option for the Poor**. It is a core principle emphasizing a **preferential love and commitment to**

the needs of the poor and vulnerable, seeing their plight as a challenge to the entire community, not just an individual problem, and calling for systemic change, empowerment, and justice, inspired by Jesus' own focus on the marginalized.

It involves actively taking up the cause of the poor, advocating for them, sharing resources, and working for economic systems and societal structures that respect human dignity and ensure everyone's basic needs are met, making them central to moral action.

Look what we have been doing - Early Years and Key Stage 1

Early Years have been learning about Goldilocks and the three bears and an alternative story called Goldilocks and the three crocodiles.

EARLY YEARS

The children have had so much fun exploring the connections and differences between both stories. They have all created some wonderful new art work for our story display.

What a brilliant start to 2026 we have had in Year 1! We've been exploring the science of winter and seasonal change, and were so excited when snow joined us too. This sparked lots of curious questions and wonderful discussions.

Year 1

Our new class story, The Emperor's Egg, has been a big hit. Did you know that father penguins don't eat for two whole months while protecting their precious egg? What amazing dedication.

We are learning about using a program Scratch in Computing and the children had a go following instructions to move around the room.

Year 2

We had to work cooperatively to listen to the instructions and then had a go on the computers to learn how to give an algorithm. We are developing our computing skills.

Avenue Youth Project Primary AfterSchool Provision

You can now sign up to the Avenue Youth Project for Afterschool Provision, they also provide a walking Bus Service.

The flyer is divided into four main sections: Route Details, A Walking Bus Service, Term Time, and What We Offer. The 'A WALKING BUS SERVICE' section features a photo of a walking bus with children and adults. The 'TERM TIME' section includes a table titled 'WHAT'S ON FOR JUNIORS' with columns for Year 3, Year 4, Year 5, and Year 6. The 'WHAT WE OFFER' section lists 'HOLIDAYS' (Spring, Summer, Autumn) and 'SCHOOL HOLIDAYS' (Autumn, Spring, Summer) with details on activities and costs. The footer includes the website www.avenues.org.uk/zoneclubs and the logo for 'THE AVENUES YOUTH PROJECT'.

ROUTE DETAILS
The walking bus journey begins at St Mary's Primary School main entrance, where children assemble at 3:15 PM. The route takes approximately 10 minutes, with arrival at The Avenues by 3:45. The journey includes four key crossing points, featuring a small crossing on East Road, another by the park on Kears Road, followed by a zebra crossing which takes you to the bridge, providing access to Hamme Road. At Hamme Road, the group will cross at the traffic lights and cross again onto Third Avenue.

A WALKING BUS SERVICE
To establish a safe and supervised walking bus service connecting St Mary's Primary School, St Charles Primary School, and The Avenues Youth Project, the walking bus will ensure students in Years 3-6 can access quality after-school activities through reliable, supervised walking routes between the schools and after-school service.
The walking bus addresses the current financial barrier of £10 per day after-school club costs which has limited student participation. The service will incorporate road safety education as an important part of the daily journey.
The walking bus builds on the existing relationship between St Mary's and the Avenues while expanding the reach to include St Charles Primary. Through this coordinated approach, the walking bus will transform access to the Avenues after-school activities, making them easily accessible to all students regardless of their families' employment status.!
