To take account of pupil views when developing PE programmes	<p>At St Mary's we believe that children should be given the opportunity to express their views over PE provision in the school. Going forward, because of the approach we have taken, Coach will continue to deliver the PE provision through PPA, releasing class teachers for their PPA. The aim is to maintain the lunchtime provision as this has been prioritised by the SLT as it provides more enriching lunch times for pupils. The after school clubs will continue as they are self-funding. However, the school will endeavour to support the participation of PP pupils so that no child is disadvantaged.

As swimming is statutory, this will be funded from the school's budget. Please see below the end of year assessment:
