

Termly Newsletter Spring 2025

Year 3

Welcome back! Happy New Year for 2025!

It was lovely to welcome the children back to the new term in Year 3.

Year 3 have improved greatly at coming to school in the correct, full school uniform. We do have some spare ties at school but they are to be returned at the end of the day and ideally only to be used in extreme circumstances. Please, if your child has a tie at home, make sure they are wearing it to school every day. As well as this, please ensure homework is completed and returned on Friday every week. If there are any concerns or queries, I am happy to discuss these with children or find time to help during the school day if need be. However, many homework sheets are not being returned and it forms part of school policy. Lastly, reading records should be signed at home and brought in every day so that children can change their reading books and staff can keep track of improvements and reading levels. If a reading record or levelled reading book is lost, please ask children to inform me as soon as possible so that they can receive a new reading record and because lost reading books must be replaced. These cost £5.

Below, you will find an overview of our curriculum and what we will be learning in each subject this term. If you have any questions, please contact me at the gate or via the school office.

Thank you for your ongoing support,

Miss Medioli
