Tu as quel âge?	How old are you?
J'ai...ans	I am ...years old.
Tu habites où ?	Where do you live?
J'habite...	I live...

Grammar talking about age	Grammar translation	Grammar circumflex accent	Language Learning Skills	
In English we say <i>How old are you?</i> I <u>am</u> 7 years old. In French, this idea is expressed as <i>What age do you have?</i> I <u>have</u> 7 years. Tu <u>as</u> quel âge ? J' <u>ai</u> 7 ans.	When we translate from one language to another, we translate ideas, not words.	This accent can appear over any vowel – a, e, i, o or u. The circumflex accent appears in the word <i>âge</i> . Historically, there used to be two vowels in this word. Double vowels have now usually disappeared from French words, but the circumflex accent can show us where they used to be.	The circumflex accent appears in the word <i>château</i> . The circumflex accent shows that there used to be a historical 's' in this word, that has now fallen silent and vanished from the spelling. The same word in English has kept its consonant: <i>castle</i> .	Practise with a partner. Practising with a partner can help you to remember new words.
