### Statement of Intent

St Mary's Catholic High School is committed to the learning and development of its entire staff. It actively supports and promotes all relevant learning and development recognising that the institution can only function effectively if adequate development support is made available to both teaching and non-teaching staff at all levels.

The purpose of continuing professional development and ongoing training is:

1. To improve the quality of teaching and learning.
2. To enable staff to meet their individual objectives as set out in their performance management review.
3. To facilitate the CPD of all staff.
4. To involve all staff in moving the school towards the objectives stated in the school improvement plan (SIP).
5. To provide a systematic approach to development for all staff.
6. To provide support and advice for staff.
7. To ensure all teaching staff are able to meet the teachers' standards.

## 1. Key roles and responsibilities

- 1.1. The Governing Body has overall responsibility for the implementation of the Continuing Professional Development (CPD) and Training Policy of St Mary's Catholic High School.
- 1.2. The Governing Body has overall responsibility for ensuring that the Continuing Professional Development (CPD) and Training Policy, as written, does not discriminate on any grounds, including but not limited to: ethnicity/national origin, culture, religion, gender, disability or sexual orientation.
- 1.3. The Governing Body has responsibility for handling complaints regarding this policy as outlined in the school's Complaints Policy.
- 1.4. The Headteacher will be responsible for the day-to-day implementation and management of the Continuing Professional Development (CPD) and Training Policy of St Mary's Catholic High School.
- 1.5. The CPD coordinator is responsible for overseeing the administration of CPD and training at a strategic level and for liaising with the Governing Body and Headteacher to report on the provision and impact of CPD.
- 1.6. Administration staff are responsible for administrating training and CPD and for booking training sessions.
- 1.7. Line Managers are responsible for identifying training needs among their staff members via performance management and observations.
- 1.8. Curriculum Leaders are responsible for identifying training needs across their departments via departmental meetings.
- 1.9. Members of staff are responsible for identifying their own training needs in response to their own practice.
- 1.10. Members of staff are responsible for evaluating the CPD they undertake.

## 2. Identifying Needs

- 2.1. **Individual** - these should be identified as part of the performance management process, and by the individual member of staff in response to their own practice. When the individual's work objectives have been agreed they should, with their line manager, then consider their own development needs to enable them to meet those work objectives. At the same time, individuals should consider their longer-term career aspirations and identify the development needs arising from these.

- 2.2. **Department** – these should be identified by Curriculum Leaders during departmental meetings and reported to The CPD coordinator.
- 2.3. **Organisational** - these may arise as the result of new legislation and policies, or as part of the wider school improvement plan (SEF). They should be considered by the Governing Body in liaison with The CPD coordinator and be factored in to long term strategic planning (LTSP).
- 2.4. Development needs should be reviewed formally at least twice a year during the appraisal process.

### 3. Provision of CPD and training

- 3.1. At St Mary's Catholic High School CPD provision will allow staff to develop skills and competencies progressively with reference to Teachers' Standards, NCSL's Leadership Programmes, and competency descriptions for Teaching Assistants, High Level Teaching Assistants, School Business Managers etc.
- 3.2. The school will support accreditation of the professional development of staff.
- 3.3. Quality assurance mechanisms will ensure that schools access provision of a consistently high standard.
- 3.4. To ensure that there are effective links to school improvement and self-evaluation and to ensure that CPD maintains a high profile, The CPD coordinator holds a senior responsibility within the school
- 3.5. We are proud of the quality of teaching and learning at our school. We are committed to disseminating good and successful practice that supports and improves teaching and learning. CPD processes will be designed to widen participation, maximise inclusion and minimise bureaucracy.
- 3.6. The school will participate in initiatives and projects which can be shown to have a positive impact on staff development, represent good value for money and can be accommodated within the constraints of the school.

### 4. Training costs

- 4.1. All funds are allocated on an equitable basis where possible.
- 4.2. Individuals are also encouraged to apply for Training Bursaries when applicable, to help fund private further education. The school also encourages individuals to carry out Action Research Projects (ARP).
- 4.3. The school does not tend to fund master degree modules.

## 5. Repayment of training costs

- 5.1. If a member of staff resigns during training for which St Mary's Catholic High School is paying or within one term of the date of completion of training for which the school is paying, they will be required to repay the full cost of the training.
- 5.2. Following this period, the school operates a sliding repayment scale, so that the amount that the employee is required to repay is reduced by one twelfth at monthly intervals. Once the employee has completed one year's service from the date of the end of the training, they will not be required to repay any of the costs of the training should they resign.
- 5.3. The school reserves the right, on the employee's resignation, to require them to repay the employer for training costs that they owe from their final salary payment.

- 6.3. CPD issues will be addressed at Governing Body meetings and be included as part of the Headteacher's report. The CPD coordinator shall attend Governing Body meetings as appropriate, including the annual presentation of a report on the provision and impact of CPD.
- 6.4. There should be robust, transparent arrangements for accessing CPD that are known to all staff.
- 6.5. There will be arrangements for annual discussions between staff and a Senior Member of Staff (the Headteacher, Deputy Headteacher, Assistant Headteacher or the CPD Coordinator) to discuss the following within the context of school priorities:
