

Children Looked After Policy

Created: November 2019

Reviewed by: Autumn 2021

Statement of Intent

Our mission as a school is centered on our belief in Christ.

The aim is to create a secure, caring, Christian and happy environment for every pupil. It is a basic entitlement of all children that they receive their education free from humiliation, oppression and abuse.

Definition

A child 'looked-after by a local authority' is one who is looked after within the meaning of section 22 of Children Act 1989 or Part 6 of the Social Services and Well-being (Wales) Act 2014. The Children Act 1989, as amended by the Children and Families Act 2014 and the Children and Social Work Act 2017.

Children Looked After are those in public care and are either –

- Subject to a Care Order or Interim Care Order, living either at home or away from home. The Local Authority has parental authority which it then shares with the parents in a prescribed way.
- Accommodated with friends or relatives, foster care or residential homes – parents retain full parental responsibility.
- Remanded into care.

A **private agreement** is not public care - when a child lives with friends or relatives by private arrangement, these children are not designated as Looked After.

A **previously looked-after** child is one who is no longer looked after in England and Wales because s/he is the subject of an adoption, special guardianship or child arrangements order which includes arrangements relating to with whom the child is to live, or when the child is to live with any person³, or has been adopted from 'state care' outside England and Wales; and

A child is in '**state care**' outside England and Wales if s/he is in the care of or accommodated by a public authority, a religious organisation or any other organisation the sole or main purpose of which is to benefit society.

Aims

The school is committed to the concept of the corporate parent for children looked after and will work tirelessly to support children looked after, and from September 2018, previously looked after children to:

- Offer stability, safety, continuity, positive experiences and individual care and attention.
- Develop an attachment aware school and embed strategies to support the impact of trauma on emotional and mental health.
- Enable all children to make good progress in learning.

The school will take account of all related statutory guidance: Promoting the education of looked after and previously looked after children: DFE Feb 2018 and Revised Guidance on the Role of the Designated Teacher for looked after children and previously looked after children Feb 2018.

Rationale

Nationally, the education outcomes at all stages, for Children Looked After and children previously looked after are of concern with a significant gap compared with outcomes for their peers who are not looked after or previously looked after. It follows that children and young people who are looked after or previously looked after require additional support and positive discrimination in their favour if this situation is to be improved.
