Dear Parents / Carers of Year 11 Humanities students,

As we begin to work our way towards the summer examination season, we believe that students and parents are supported along the way. This can be a very stressful time for both students and parents therefore on Wednesday 21<sup>st</sup> September 2022 at 5.00pm we will be hosting a “Journey to GCSE Success in Humanities” evening to support students completing Geography, Sociology & History in Year 11.

During these sessions, we will be discussing the Humanities subjects with students and parents focusing on subject specific revision activities/strategies that will support students with their home study especially in the build up to their forthcoming Christmas mock examinations. We will also be providing students with resources to support their revision and modelling how to tackle to difficult activities on the GCSE exam papers/coursework for example the extended writing questions in Sociology, History and Geography.

The session timetable can be found attached to this letter. Each session will last for approximately 20 minutes and two sessions will run simultaneously in Room 9 and Room 10. Whilst these sessions are in progress, in Room 8 there will be refreshments, examples of bespoke subject specific revision materials/strategies and an opportunity to ask questions to a Humanities staff member.

We strongly advise that you book onto these sessions. Please do so by following the sign up using the link or QR code on the timetable attached. We will also send this link out as well via class charts. If you wish to attend and do not access to the internet, please complete the reply slip attached.

The deadline for reply slips is Monday 19<sup>th</sup> September.

Please do not hesitate to contact me at school should you require more information, I can be contacted through the following email:
