## **Annual leave**

Annual leave entitlement is allocated to full-time members of support staff, i.e. those who work during school time and holidays (52 weeks a year). Details are specified in contracts of employment.

Requests for leave should be negotiated directly with line managers and be taken during school holiday periods, unless agreed specifically with the employee's line manager.

Term time staff should not take leave during term time. If exceptional circumstances pertain, a request may be made directly to the headteacher (in writing) for consideration. If granted, the headteacher will decide whether the leave is paid or unpaid.

Further information can be found in the [Staff Leave of Absence Policy](#).

Key considerations for all staff

### **Hours of work**

Hours of work are specified in job descriptions.

### **Lunch breaks**

If staff are entitled to a lunch break, this should be taken at a time agreed with their line manager.

### **Staff Code of Conduct**

A comprehensive Staff Code of Conduct is given to all staff on appointment – this includes a map of the school building and grounds.

### **Sickness reporting**

On their first day of sickness absence, all staff are expected to:

- Make every effort to contact their nominated person via phone no later than 1 hour prior to their start time.
- On their fourth day of sickness absence, staff should contact the Headteacher/Business Manager to discuss the situation.
- On the eighth day of sickness absence, staff should obtain a doctor's certificate and submit this to the Business Manager immediately.
- If an employee repeatedly fails to report sickness appropriately, they will be subject to the school's disciplinary procedure.
- If an employee considers the illness to have arisen from an accident at work, they must notify the Headteacher/Business Manager and complete the relevant form on the Oracle Self Service.
- When an employee falls ill during the summer break, they must inform the appropriate contact to ensure that payroll is notified – this applies to staff on 52-week contracts only.
- All staff returning from sickness absence have the opportunity to meet with the Headteacher/Business Manager.

If the illness continues for an extended period of time, it is important that regular contact with the employee's line manager is established to keep them informed of progress – this will enable the school to support the employee's recovery and return.

In certain circumstances, where long-term absence is due to recovery from an operation, maternity leave or a serious illness, a staged return to work that is mutually beneficial to the employee and the school may be negotiated.

In the case of serious illness, a referral to Occupational Health may be necessary to help ascertain the details of the illness and the length of sickness absence involved. Full information is provided in the school's Staff Attendance Management Policy.

### **Hospital, doctors and dental appointments**

- Employees should arrange doctors, dentists and opticians visits to take place outside of normal working hours; however, when unavoidable, employees will be granted time off inside work time for emergency appointments, subject to the agreement of the headteacher. Requests are considered on an individual basis.
- Hospital appointments are considered authorised absence and time off is paid. Employees should be able to provide their manager with proof of their appointment (e.g. an appointment card or a copy of the appointment letter) when requesting time off to attend hospital.
- Paid time off is granted to employees for the purposes of necessary medical screening.
- Leave for family or personal reasons
- Leave with or without pay may be approved for occasions when employees need time off for dependants for personal reasons, or to deal with an emergency. An emergency could be for any unexpected or sudden problems involving someone who depends upon another for help or care.
- Personal leave may be granted for:
  - Circumstances where there has been a close family relation who has died, is ill, is injured or assaulted, or who gives birth.
  - Specific caring responsibilities.
  - Family emergencies.
  - Other personal reasons.
- The headteacher will determine whether the leave is granted with or without pay.

For further information on leaves of absence, refer to the Staff Leave of Absence Policy.

## **Health and safety**

The school is responsible for employees' health and safety at all times during their employed hours; however, it is every employee's responsibility to work with due care and attention for themselves, their colleagues, pupils and any visitors to the school, and to ensure that health and procedures are followed correctly.

If employees feel at any time that there is a health and safety issue within their team, they must contact their line manager immediately. If no action is taken, or if they are dissatisfied with the response, employees should refer the issue directly to a member of the SLT as soon as possible.

In the event of an employee having an accident/incident during work hours which requires medical assistance, they should seek the nearest first aider (list available in various locations around school). If the accident is serious and requires immediate medical attention, i.e. hospitalisation, they should contact the school office on 01772 421909 immediately, who will telephone for an ambulance.

In either event, first aid incident forms must be completed immediately or as soon as is practically possible in order to log such incidents. The form is available on the school website under Staff>Electronic Forms

All staff must ensure that they provide the Business Manager with up-to-date information of their next of kin in case they need to be contacted in an emergency.

## **Emergency evacuation**

In the event of an emergency, such as a bomb alert or fire, staff should break the nearest fire point immediately and alert their colleagues. The fire alarm will sound and staff should immediately proceed to the nearest fire exit following the signs and notices in their work area. Staff should familiarise themselves with these procedures and the evacuation route from their work area.

As part of their job, staff may be allocated a role or emergency post to assist in these proceedings. Where an emergency post is allocated, staff should follow the instructions they have been given.

The emergency evacuation procedures are displayed in all rooms and will be fully explained by line managers.

## **ICT**

If an employee's duties involve using a computer, the ICT Network Manager will set up their workstation and allocate them a username and password.

All staff are required to ensure that they comply with the Data Protection Act 2018.

## **Induction of new governors**

An induction programme for new governors is in place and a handbook is available.

The induction process includes:

- A visit to the school including a guided tour and visiting the staffroom.
- A meeting with the link governor regarding training needs.
- A meeting with the chair of governors to discuss committee structure, terms of reference, etc.
- The organisation of their first meeting.
- A skills interest assessment.
- An assessment of future development needs.
- Receiving a copy of part one of 'Keeping children safe in education'.

Further details of governor inductions can be found in the [Governor Induction Policy](#).
