Dear Parents / Carers,

I am writing to inform you that as part of our new and exciting Careers Education, Information, Advice and Guidance curriculum, Year 11 pupils will be taking part in a 'My Future' Super Learning Day on Friday, 7th October. This Super Learning Day is designed to provide part fulfilment of St Mary's duty to ensure that all pupils are provided with information on the full range of training and education options and career pathways, and to help them make informed choices about their future so that they achieve their potential.

Six external providers will be coming in to school to deliver the following 50 minute sessions:

- Cardinal Newman College – Managing Stress and personal wellbeing
- Runshaw College – Application process
- Lancashire Work Based Forum – Apprenticeship awareness
- Preston's College – Career pathways
- Leyland Trucks – Speed meet with Leyland Truck apprentices
- Myerscough College – Discovering your future

We hope the day will serve to inspire pupils to think about their future possibilities; to aim high, motivating them in school as well as beyond; to be informed about education, training and career options; to assess their current strengths and areas for development; and to acquire the skills valued by employers. Throughout the day, pupils will be reminded of the Year 11 CEIAG programme and the people to whom they can go for support if they require advice or guidance at any time throughout the year.

We believe that this Super Learning Day will be of great benefit and is a necessity to facilitate the holistic education of our pupils. If you have any concerns please do not hesitate to contact me.

Yours sincerely,
