The dashboard is divided into several sections. On the left is a navigation sidebar with icons for Home, Notifications, My Calendar, Help Centre, and Sign Out. The main content area has a 'Quick Actions' bar at the top with a 'View Student Profile' button. Below this is a 'Notices' section with a list of messages, including several about missing information (transportation, religion, emergency contact, hearing/vision tests) and various consent requests for the academic year 2026/27. The right side of the dashboard is titled 'Statistics' and contains four cards: 'Attendance (2025/2026)' showing 0.00%, 'Classroom Behaviour - this term' showing 0 incidents, 'Positive Behavioural Incidents - this term' showing 0 incidents, and 'Negative Behavioural Incidents - this term' showing 0 incidents. Below the statistics are sections for 'Guardian Consultations' (no consultations), 'Activities' (Clubs and Trips), and 'School Shop' (School Shop Products).

When you have logged in you will see important information related to your child's school life at St Mary's. Arbor will be the main way we will communicate with you.

Under notices you will have received several consents that you need to review as soon as you can. One notice about emergency contacts can be ignored.

We recommend downloading the Arbor app for your mobile phone as this will save you time.
