

It's nearly time to return. We now have security doors fitted on all external doors, therefore **do not** arrive for school before 8.30am

Year 7 will enter school via the pedestrian gate and wait to enter school by the lockers.

Year 8 will enter school by the large pedestrian gates and wait to enter school via the main door.

Year 9 will enter via the same gate and walk around the back of school and wait in the netball courts.

Year 10 will enter via the same gate but will wait in an area of the car park by the other bike shed.

Year 11 will enter through the small car park and wait in the outdoor seating area outside the Drama Theatre.

You'll be asked to sanitize your hands on entry to the building. There is a strictly **NO CHEWING GUM** policy, as students tend to stick this under desks when no longer required!

Pupils will spend additional time with their form tutors helping them back into the school routine.

Travelling to school by bus? Make sure you have the SZapp on your phone. You'll be sent a message daily for Track & Trace purposes.
