

Year 6 Spring term Newsletter

Week commencing
3rd March 2025

SAT's Prep

As we move closer to the SATs, here are a few ways parents and carers can support their children in preparing for these important tests.

The SATs will take place from Monday, 12 May 2025 to Thursday, 15 May 2025.

Parents and carers can help by establishing a regular study routine, using past test papers, and encouraging reading to enhance comprehension. The school will provide homework, such as past papers, to be completed together with the child to support their learning.

Assisting with spelling and times tables will be beneficial. Most importantly, parents and carers should offer encouragement and emotional support to boost their child's confidence.

By following these steps, parents and carers can help their children feel prepared and perform well in the SATs.

Our Learning

Reading

We will continue to read our class text 'Pig Heart Boy' by Malorie Blackman. Does Cameron go through with his heart transplant?

Writing

Linking to our text Pig Heart boy- We will be writing two different letters, focusing on both formal and informal writing.

Maths

We will be continuing with our SATs build up- with a focus on area, shape, data, coordinates as well further enhancing our arithmetic and number skills.

Science

During science this term- Year 6 will be investigating the circulatory system with a focus on the heart. They will also be taking part in a heart dissection in class!

History

Our history topic this term will be looking at the Monarchy and the role our kings and queens have played within our society throughout the years.

P.E

Our P.E topic this term will be football. The children will be developing their passing and shooting skills as well building on their Orca skills and how we work together as team.
