Dear Families,

Thank you to everyone who attended parents evening this week, we hope you enjoyed seeing how hard the children are working and the progress they are making. In Nursery, the children have enjoyed reading 'Daisy eat your peas'. In Reception this week, the children have made a pledge to look after God's world. In Year 1, the children led a prayerful Celebration of the Word, all about caring for God's creation. In Year 2, the children have been writing their promises to God. Year 3, enjoyed a trip to the Word, where they made fantastic Lego playgrounds. Year 4, have been making bug hotels to help our environment. Year 5, have loved making pretzels and Year 6 have been working on their fantastic hot pieces! We can't wait to see what the children achieve next week.

Best Wishes,

Mrs Colley and Mrs Graham

JARROW MARCH PROJECT

Local people.
A big journey.
A louder voice.

Celebrating
the 90th
Anniversary

The Jarrow March was a historic walk in 1936 by unemployed men from Jarrow to London to draw attention to the poverty and lack of jobs in the North East.

The purpose of your project is to **inform everyone** about the Jarrow March and to **celebrate the 90th Anniversary** of this important event.

You can present your project in any way you like!

A written report

A poster

A model

A video

A piece of art

...or something completely different!

The **School Council** will look at all the entries and choose the winners for a **special prize!**
