

St. Mary's Catholic Primary School

Weekly Roundup

25th September
2026

Dear Families,

What a great week it has been at St Mary's. Our children have been working incredibly hard across the school and have produced some wonderful work.

In Year 6, pupils have written some fantastic newspaper reports, demonstrating excellent creativity and writing skills.

Year 5 have been busy writing letters to their French pen pals, developing their language and communication skills. Year 4 have been working hard on Roman numerals, while Year 3 have been practising their times tables and building their confidence with number facts.

In Year 2, the children have been writing their own hot piece, showcasing all they have learned in their writing lessons.

Year 1 have enjoyed reading The Enormous Turnip.

In Reception, the children have loved exploring our school environment, taking a walk around to discover all the wonderful things in God's creation.

Nursery have enjoyed reading about Brown Bear, Brown Bear and Going on a Bear Hunt, where the children enjoyed making bear toast and bear masks, with binoculars for the bear hunt.

We are incredibly proud of the enthusiasm, effort and achievements of all our pupils this week.

Best Wishes,

Mrs Colley and Mrs Graham

What a brilliant event it was for the Bishop Chadwick Catholic Education Trust, and how proud we are of everyone who took part! Our pupils represented St Mary's beautifully, demonstrating confidence and enthusiasm throughout the event. They were wonderful ambassadors for our school, and their positive attitude, effort and achievements were a credit to themselves, their families and our school community. We are incredibly proud of them all and grateful for the opportunity to celebrate and learn alongside schools from across the Trust.
